County Judge Joe Fauth III called the meeting to order at 9:00 am Wednesday, January 21, 2026.

Invocation

Pledge of Allegiance to the U.S. Flag

Pledge of Allegiance to the Texas Flag

Public Comments

We look forward to hearing from the citizens of Grimes County. If you wish to make public comments you will need to submit a Public Participation Form prior to the start of the meeting and give it to the County Clerk. Public comments will be limited to 2 minutes per person.

Public Comments: Grimes County Facilities Director - Rodney Floyd: Update on Jail septic problem has been corrected and inmates returned by to Grimes County. Thank you to Montgomery County for the assistance to house inmates that had to be re-located. Reminder to employees about the freezing temperatures for the upcoming weekend, if you see any water dripping please leave it as you find it.

Judge Joe Fauth III: To citizens please use extreme caution if you have to be on the roads. This weekend is Go Texan which is a major event, which many will be attending so stay safe on the highways.

Consent Agenda Items

Motion by Chad Mallett to Approve Consent Agenda Items 1-5. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

1. Approve an Order Establishing a School Zone and Reducing the Speed Limit on County Roads in Richards, Texas.
2. Accept donations and/or gifts to the County pursuant to Texas Local Government Code 81.032.
3. Consider and take action to approve the Treasurer's List of Claims and Bills.

4. Consider and take action to approve payroll.
5. Consider and take action to approve Budget Amendments and/or Line-Item Transfers.

Presentation of Monthly Departmental Reports:

6. Veterans Services, Emergency Management Services (*will present 02/04/2026*)
 Veteran Services - Jay Lafferty: December activities. 12 phone conversations, 5 came into the office and 3 emails. December is usually a slower month with the holidays. Attended annual training, required 12 hours per year. Some topics covered are some unmistakable errors appealing a claim, supplemental claims if something needs to be added to a claim, higher level review, if decision is contested how to take it to a higher level. Hearings before a judge or zoom hearings. The training allows Mr. Lafferty to stay certified to assist Veterans.
 Emergency Management Services - Dione Bumpous is attending meetings.

Presentation of Monthly Commissioners Court Liaison Reports:

7. County Judge: Maintenance, HR, IT, Emergency Management, Road Department, Veterans Services, Elections, Navasota Grimes County Chamber of Commerce;

Commissioner Pct. 2: Animal Shelter, Historical Commission, Navasota Grimes County Chamber of Commerce, Bluebonnet Groundwater Conservation District Board;

Commissioner Pct. 3: 911 Addressing/Permits/Environmental/Solid Waste, BVCOG Solid Waste Advisory Committee;

Commissioner Pct. 4: Fairgrounds, Hospital Contracts, EMS Services, Health Resource Center, Fleet Maintenance Committee

County Judge - Joe Fauth III: Recognized Rodney and his maintenance team for being there on the holiday to work on issues that are easier to take care of without employees occupying the buildings.

HR: If you are seeking employment, Judge Fauth encourages you to go to the County webpage for all job opportunities that are listed.

Emergency Management: Judge Fauth stated there was the potential of a spill on 244, were able to find out who was responsible, with the spill response company under contract with the County, were able to get it cleaned up with no problems or cost to the County.

Elections: Judge Fauth stated they were at a conference the previous week that pertained to HB 2753 which is modifying Early Voting periods, extending them through the weekends prior to election day, but still in review so nothing will occur in 2026.

Commissioner Pct 2 - David Tullos:

Commissioner Pct 3 - Michael Raska:

Commissioner Pct 4 - Phillip Cox: Grimes County Facilities Director Rodney Floyd updated Commissioner Cox on the Expo and Fairgrounds lease of advertising will be in the Navasota Examiner from January 21st - January 28th, on FB with over 5000 views. Events include the Republican debates, Waller 4H Jackpot Cattle Show, Go Texan this upcoming weekend and 4H Food Show and Grimes County Extension Office Continuing Education classes. In regards to the Ambulances, still working. 2025 Grimes County went 575 times without having an ambulance available. Not a panic situation as other ambulances are called in and maneuvered to cover these areas.

Grimes County Constables - James Ellis Pct. 1, Blake Jarvis Pct. 2, Gary Bender Pcts. 3 & 4 (JF)

8. Receive the Grimes County Constable Pct 1, 2 and 3/4 Racial Profiling reports for 2025.
 Grimes County Precinct 2 - Blake Jarvis: Commissioner Phillip Cox asked on the Precinct 3,4 Profiling Report 67 traffic stops, in a presentation in October at the Sheriffs Dept Citizen Academy, Precinct 3,4 listed 156 traffic stops. Jennifer Crenshaw was asked to come to the podium to answer Commissioner Cox.

She stated that the copies of the 67 citations is what was turned over to her and that is what she has reported. She cannot speak for the remaining citations if she does not have copies of them.

Grimes County Sheriff's Office - Chief Deputy Martha Smith (JF)

9. Discuss and consider approval of a resolution authorizing submission of a grant application to the Office of the Governor of the State of Texas for the purchase of Rifle Resistant Body Armor for the Grimes County Sheriff's Office and authorizing the County Judge to serve as the authorized official and signatory.
Grimes County Sheriffs Office - Chief Deputy Martha Smith: All law enforcements body armor is not rifle rated ballistic protection. Requesting permission from the Court to apply for a grant for type of body armor the Sheriffs Dept would like to purchase.
Motion by David Tullos to Approve authorizing submission of a grant application the Office of the Governor of the State of Texas for the purchase of Rifle Resistant Body Armor for the Grimes County Sheriffs Office and authorizing the County Judge to serve as the authorized official and signatory. Seconded by Phillip Cox.

Grimes County Facilities Director - Rodney Floyd (JF)

10. Discuss and take action to auction, recycle, or scrap surplus items.
Grimes County Facilities Director - Rodney Floyd: Recently cleaned out the Sheriffs Office where DPS and Pct 2 Justice of the Peace were housed. Recycled and refurbished all that was salvageable including some desks and file cabinets. Requesting to burn any remaining that cannot be salvaged such as some desk tops with no bottoms. County Auditor Jessie Murphy requested a list for her office of what is being disposed of so it can be removed from the County's inventory.
Motion by Joe Fauth to Approve Facilities Maintenance Manager Rodney Floyd to continue with recycling and scrapping of the surplus materials. Seconded by Chad Mallett.

Motion Passed

Grimes County Engineer - Jon Steiber (DT/JF/MR)

11. Road Department Report.
Grimes County Engineer - Jon Steiber: Road & Bridge maintenance to include base repair, pothole patching, tree removal and clean up, boom mowing, shredding/mowing. Disposed of large brush pile at the FM 2445 yard and hauled off furniture and garbage on CR 419 420 blocking drainage. Ditch work, culvert/cross culvert installation and installed delineators/signage. All of the above represents 100's of hours of work. Reminding Court with the upcoming weather Road & Bridge will be on call 24/7. Any issues please contact Sheriffs Dispatch.
Platting and Permitting: Hired Kirk Cloyd as the Development Technician. Issued 25 new addresses in December 2025. Met with MidSouth about power connections to unpermitted structures most built without proper notices. Sending letters to Developers with the remedial compliance process. Flyers are on the website in English and Spanish showing guidelines which they must comply with International Residential Code version 2021 adopted by Grimes County on December 18, 2024.
Environmental: Clean up event of March 14, 2026. Flyer on social media with event sites and County website Stoneham and Bedias, open tops at all the other 5 sites. Compactors sometimes break in extreme cold weather. That will result in Bedias, Stoneham and Whitehall sites will close at 11:00 am on Saturday 1-24-26, Iola and Whitehall dumpsites Monday 1-26-26. Issued 36 OSSF permits in December 2025. 400 total issued in 2025 surpassing 380 issued in 2024. 423 maintenance inspection reports. Processed 144 maintenance tracking fee invoices, received 129 new maintenance contracts, received \$16,870 in septic review/inspection fees.

Commissioner Pct 2 David Tullos wanted to thank Chad Boney with TxDot for taking time to meet with him and wanted to know if a follow up meeting has been scheduled for end of January or 1st of February. Mr. Steiber stated it is being arranged. Also some additional signs are being put up in that area to help give notice of the dangerous intersection. Commissioner Tullos also inquired about the Tawneyberry Grant Project design at 35%, when Engineering Company will have design complete to stay within grant timeline for design and construction. Mr. Steiber will keep Commissioner Tullos updated.

12. Consider and take action to approve a variance request from the subdivider of a 69.708 acre tract in the A D Kennard survey, Tract 6, in Precinct 2.
Grimes County Engineer - Jon Steiber: Speaking with the property owner the County requires dedication of right-of-way during platting, they are not wanting the trees cut down with utilities installed along the road. Acceptable compromise allow them to not dedicate right-of-way on CR 218 only because of the condition of CR 218 that the property not be further subdivided without dedicating right-of-way, and prove to the County by the Developer that utilities will be in place. This is due to splitting a 6 acre tract out of a 69.71 acre tract. Mr. Steiber is asking for a right of way dedication just on the 6 acre tract with the thought that property will not be further subdivided. Commissioner Tullos wanted clarification that the County should ask for the roadway dedication on the 6 acre tract. Mr Steiber answered yes. Commissioner Tullos was ready to grant the variance as proposed to the property owner, but now there is an additional proposed requirement. Commissioner Tullos would like for the County Engineer would like to have another conversation with the property owners. Judge Fauth suggested no action at this time. Commissioner Tullos repeated there should be an additional conversation with the property owner. Mr. Tullos is asking for consistency in what is conveyed to the property owner and in the motion that the Court will be considering. Mrs Chaney, the property owner, was present and spoke on behalf of their understanding of the Variance where they did not have to grant a 30ft easement because they already have a contract on the 6 acre tract. It was signed before the Mobility Plan was in place.
Motion by David Tullos to Approve to grant the Variance request as requested. Seconded by Chad Mallett.

16. Discuss and take action to ratify equipment purchase agreements.
County Engineer - Jon Steiber: The Court authorized in late 2025 to finance equipment up to \$250,000.00 per year for 4 years. Purchase contract was entered into for the 2024 Develon DL320-7 Wheel Loader @ 5.5% interest and 2026 Bomag BW213PDH5 Pad Foot Compact Roller @ 5% interest asking to ratify the 2 agreements. County Attorney Megan Barcak stated she has reviewed the contracts.
Motion by Chad Mallett to Approve to ratify the purchase agreements for the Develon and Bomag . Seconded by Michael Raska.

In Favor: 5
Opposed: 0
Motion Passed

17. Discuss and take action to approve two equipment purchase agreements.
County Engineer - Jon Steiber: Agreements cannot be approved at this time because the banks will not finance due to interest rates going up a full percentage since the County was ready to execute the contract. These will have to come back to Commissioners Court to be approved. Commissioner Mallet asked how long will the interest rates hold from time of quote. Typically 15 to 30 days an interest rate is locked in. No action at this time.
18. Discuss the Brosig Avenue Bridge project.
County Engineer- Jon Steiber: Bids opened on Tuesday of the previous week. The low bid was 1.16 million dollars, grant funds the County has awarded is \$403,600.00 which is a shortfall of \$757,000.00 the County would have to fund to do this project. Will come back to Commissioners Court in February with recommendations. No action taken at this time.

19. Discuss and take action to approve a merchant processing agreement with First Data Merchant Services LLC for the Clover point of sale system at the Bédias collection site.
County Engineer - Jon Steiber: One of the items the audits of the Collection Sites conducted there were some financial efficiencies to be gained. Would like to put the Clover Point of Sale System at the Bédias collection site. Would be much more efficient than the current system with the stickers. Discussion with the County Attorney about the agreement with First Data Merchant Services LLC there is one clause that the County has asked to be changed. Asking the agreement be approved pending the change. County Attorney Megan Barcak stated there are 2 items, the indemnification clause and the arbitration clause. Commissioner Cox asked if this is a trial basis at the Bédias location. Mr Steiber commented that he wants to make sure they work before he spends the money on 5 for each location. Commissioner Tullos asked if this is a move toward not accepting cash. Mr Steiber stated the sites will still be accepting cash. This system will provide better tracking with balance sheets for the Auditors office.
Motion by Chad Mallett to Approve a merchant processing agreement with the changes to be made as discussed by the County Attorney with First Data Merchant Services LLC for the Clover point of sale system at the Bédias location. Seconded by Michael Raska.

Guidelines for Residential Construction & Inspection

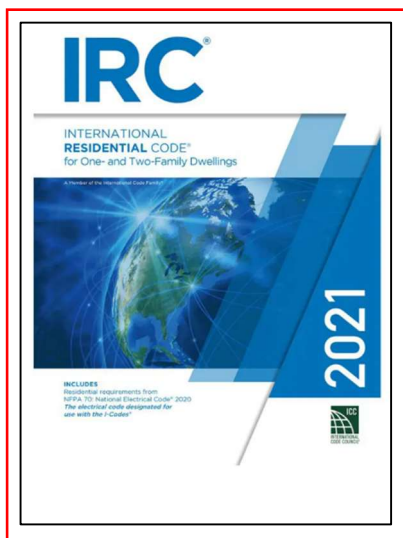

Grimes County adopted International Residential Code version 2021 on December 18th, 2024.

New or substantially improved residential structures in unincorporated Grimes County beginning construction on or after December 18th, 2024 must comply with IRC 2021.

The 2021 International Residential Code is available at the International Code Council website:

<http://codes.iccsafe.org/content/IRC2021P2>

What is considered a residential structure?

A residential structure is a building intended for human habitation, including one- and two-family dwellings, townhouses, and multi-family buildings with three or fewer stories above grade, used for living, sleeping, cooking, or eating purposes. Includes any structure under occupancy groups R-1 through R-4 in the International Building Code.

What is considered a substantial improvement?

Any reconstruction, rehabilitation, addition, or other improvement of a structure, the cost of which equals or exceeds 50% of the market value of the structure before the "start of construction" of the improvement.

A home builder must provide two notices to Grimes County:

1. Prior to starting construction, builder must submit a *Notice of Residential Construction* form.
2. No later than 10 days after the final inspection, a builder must submit a *Notice of Residential Inspection* form.

The forms are available on the Grimes County Development Coordinator website and may be emailed to

GCPermits@grimescountytexas.gov.

Condado de Grimes, Texas

Directrices para Residencial

Construcción & Inspección

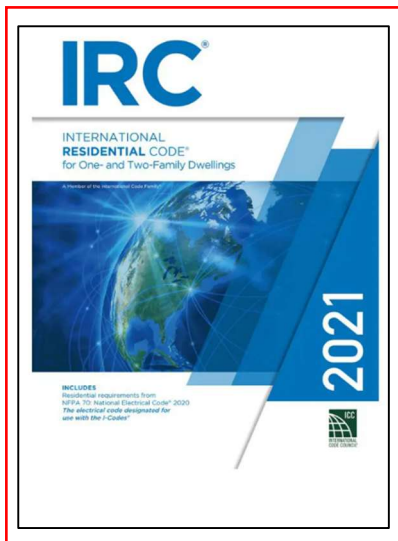

El condado de Grimes adoptó el Código Residencial Internacional versión 2021 el 18 de diciembre de 2024.

Las estructuras residenciales nuevas o sustancialmente mejoradas en áreas no incorporadas del condado de Grimes que comiencen a construirse a partir del 18 de diciembre de 2024 deben cumplir con el IRC 2021.

El Código Residencial Internacional 2021 está disponible en el sitio web del Consejo del Código Internacional:

<http://codes.iccsafe.org/content/IRC2021P2>

¿Qué se considera una estructura residencial?

Una estructura residencial es un edificio destinado a la habitación humana, incluidas las viviendas unifamiliares y bifamiliares, las casas adosadas y los edificios multifamiliares con tres o menos pisos sobre el nivel del suelo, que se utilizan para vivir, dormir, cocinar o comer. Incluye cualquier estructura incluida en los grupos de ocupación R-1 a R-4 del Código Internacional de Construcción.

¿Qué se considera una mejora sustancial?

Cualquier reconstrucción, rehabilitación, adición u otra mejora de una estructura, cuyo costo sea igual o superior al 50% del valor de mercado de la estructura antes del "inicio de la construcción" de la mejora.

Un constructor de viviendas debe proporcionar dos avisos al condado de Grimes:

1. Antes de comenzar la construcción, el constructor debe presentar un formulario de Aviso de construcción residencial.
2. A más tardar 10 días después de la inspección final, el constructor debe presentar un formulario de Notificación de inspección residencial.

Los formularios están disponibles en el sitio web del Coordinador de Desarrollo del Condado de Grimes y pueden enviarse por correo electrónico a GCPermits@grimescountytexas.gov.

I understand that the structure must be constructed in compliance with International Residential Code 2021 and that I must have the structure inspected at three phases and report the final inspection to Grimes County.	
Signed: _____	
Date: _____	

Se requieren tres inspecciones:

1. La etapa de cimentación, antes de la colocación del hormigón.
2. La etapa de enmarcado y sistemas mecánicos, antes de cubrir con paneles de yeso u otro revestimiento de paredes interiores.
3. Al finalizar la construcción de la vivienda.

¡Los constructores deben asegurarse de que todas las inspecciones muestren el cumplimiento del IRC 2021!

Inspections may be completed by:

1. Un inspector profesional autorizado por la Comisión de Bienes Raíces de Texas
2. Una persona certificada como inspector de combinaciones residenciales por el Consejo Internacional de Códigos.
3. Un inspector de construcción empleado por una subdivisión política
4. Un inspector de plomería empleado por un municipio y autorizado por la Junta Estatal de Examinadores de Plomería de Texas.
5. Un arquitecto registrado
6. Un ingeniero licenciado

El condado de Grimes no proporciona inspecciones.
