Grimes County Elections Administrator - Rachel Walker (JF)

10. Consider and take action to approve conference meal reimbursement.
Elections Administrator - Rachel Walker: Coming before Court to request a variation from policy A-4 Allowable Travel Expenses. The Mid Winter Conference attended by Rachel Walker and Megan Rutledge was on the borderline of the new travel policy of 30 miles. Procedure was followed by coordinating with the Auditors office in writing to ask if Megan's meals would be reimbursed. The answer received based on the new policy she would not be eligible to be reimbursed. Total meals are \$120.16. Ms Walker stated she has enough in her travel budget to cover the expenses. The Conference lasted 5 days. The first 2 days were for her to complete Certification classes. The country did not have to pay for the classes, all were sponsored. Ms Walker and Ms Rutledge were able to stay at the hotel, because, as she is a Board member, her room was paid for. The distance to the Hilton is within a couple of miles of the restriction in the new policy. Commissioner Mallett asked County Auditor Jessi Murphy if in the policy it was 30 miles or outside the county. She stated it was the 30-mile restriction. She also stated that Brazos County hosts many conferences and other requests for reimbursement have been denied, which is why Ms Walker received the response that her request was denied.

Motion by Phillip Cox to Approve conference meal reimbursement. Seconded by Chad Mallett.

County Auditor requested guidance from Commissioners Court on how to proceed when she receives requests for reimbursement for week-long conferences in Brazos County. Commissioner Tullos stated to the Court as to how the Auditor will handle this in the future, with more conferences that will be attended in

Brazos and Montgomery Counties that will be within a few miles of the policy. He asked if they are going to change the policy, including all the expenses that were previously denied? Ms. Murphy stated her office, among others, does have conferences in Brazos County and during the discussion of the personnel policy, this was brought up and it was decided to leave it the same. HR Director Talitta Coleman stated there are other portions of the policy she will be happy to make suggestions which will need to come back before the Court at a later date. Commissioner Mallett stated that an all day conference, where they do not provide meals, it is difficult to pack a lunch. Ms Murpby asked the Court again if reimbursement is requested, is she to deny or allow? Commissioner Tullos said the Court is not in a position to make that decision with this agenda. Commissioner Mallett requested it to be put on a future agenda for further discussion.

Grimes County Tax Assessor-Collector - Mary Ann Waters (JF)

11. Discuss and take action to approve the updated Exhibit A of the Certified Payments Service Provider Agreement for credit card processing.
Tax Assessor-Collector - Mary Ann Waters: Currently in the process of changing credit card vendors due to some issues with the current vendor. She chose to go with Certified Payments. The County currently has a contract with Certified Payments to process credit cards in the County Clerk's office and Road and Bridge. The reason Ms Waters is before the Court today is for Addendum A, the terms are a little different now than when the original contract was executed. The only item changing is the minimum charge from \$1.00 to \$2.00. It is still 2.35% or \$2.00 minimum, whichever is the higher amount. Commissioner Mallett asked the County Attorney, Megan Barcak, if this is potentially a contract we can have for Grimes County as a whole or is there a difference per department? Ms Barcak stated she would have to go back and review, that she only looked at it for the Tax Assessor's office. It could be as simple as additional amendments for other offices. Instead of a new contract, inform Certified Payments there is an existing contract and discussion can be had at that time. Ms Waters stated this is a contract with Grimes County and not a specific department. Ms Barcak stated Grimes County is the contracting entity. Individual departments do not technically exist. The question would be if it has information on how many portals or accessible points that would be adjusted on a per-department basis.
Motion by Phillip Cox to Approve the updated Exhibit A of the Certified Payments Service Provider Agreement for credit card processing. Seconded by Michael Raska.

Tried running the camera, but the line was blocked. Cut out a section of the pipe to find a towel, chip bags and snack wrappers that had been flushed. Installed 2" directional cleanouts.
Water leaks at AgriLife as well as door shifts at the Navasota Annex. The shifts are the effects of a drier fall and winter. Starting to change water filters and HVAC filters.

Investigating in the DA's office the 4 cubicles only set up with 1 circuit. That circuit does not carry very much load with 4 computers plugged in. Working with the DA's office to minimize the redundancy in the cubicles, but it should have been built with 2 circuits. Maintenance would like to add an additional circuit. This building was built with 45 - 50 additional circuits, this will be a minimal adjustment to the facility. It is within the maintenance budget.

13. Discuss and take action to auction surplus items.

Grimes County Facilities Maintenance Director - Rodney Floyd: Item #25 will be removed from the list of auction items. IT seems to be moving right along with their process.

Grimes County Facilities Director - Rodney Floyd: On the Agenda in case there were any questions about response by Maintenance. Questions about how preparations were handled. 2 valves burst at the Fairgrounds, but this is the first time the County has needed running water during a freeze due to Go Texan weekend. The County will be pursuing reimbursement from FEMA.

Grimes County Emergency Management Services Coordinator - Dione Bumpous (JF)

15. Consider and take action to add and remove radios from Brazos Valley Wide Area Communications System (BVWACS).

Grimes County Emergency Management Coordinator - Dione Bumpous: Not available to court.

Commissioner Mallett stated this item has been moved from a previous agenda. A list has been presented to the Court. It seems to be a matter of adding and removing some radios. The County Attorney questioned if the Court wanted to approve the list or push it to a later date since Ms Bumpous is not in attendance to present it to the Court. Commissioner Mallett stated it is SOP the First Responders purchased 3 new radios that need to be added. Emergency Management and the County Judge received new radios. Ms Barcak counted 5 new to add and 2 to remove.

Grimes County Human Resources Director - Talitta Coleman: Asking for an exception to the travel policy under allowable travel expenses for meals. Our policy A8 states that employees are required to keep an itemized receipt to document cost of meals. The County's new Investigator attended training in January.
