

Grimes County Commissioners Court

Chad Mallett
Commissioner, Precinct #1

David Tullos
Commissioner, Precinct #2

Michael Raska
Commissioner, Precinct #3

Phillip Cox
Commissioner, Precinct #4

Joe Fauth III
Grimes County Judge
270 FM 149 W.
Anderson, Texas 77830

The Minutes of the Regular Meeting are as follows:

Call to Order

THE STATE OF TEXAS ~ COUNTY OF GRIMES ~ BE IT REMEMBERED, that on March 4, 2026 at 09:00 AM there was a Commissioners Court Regular Meeting Part One of Grimes County, Texas at the Grimes County Justice Center, 270 FM 149 W., Anderson, Texas with the following members present:

Present:

Joe Fauth, David Tullos, Michael Raska, Phillip Cox, Chad Mallett

Absent:

Invocation

Invocation led by Pastor Charles Tompkins, Salem House of Blessings, 1515 Sycamore, Navasota Texas

Pledge of Allegiance to the U.S. Flag

Pledge of Allegiance to the Texas Flag

Public Comments

We look forward to hear from the citizens of Grimes County. If you wish to make public comments you will need to submit a Public Participation Form prior to the start of the meeting and give it to the County Clerk. Public comments will be limited to 2 minutes per person.

Speaker Ron Boffa: Exclusion of paving CR 206 North. Mr Boffa stated he is before the Court again to discuss the decision to exclude the northern 6/10 of a mile of 206 from the current paving project on CR 206 South and CR 313. 206 N is the most densely populated portion with 13 properties. The less populated CR 206 S is included in the project. Mr Boffa spoke with County Engineer Jon Steiber he learned that the road budget had been reduced from \$2.5 million to \$2 million. The cost of paving 206 N was estimated at \$60,000, 3% of the total budget. Mr Boffa stated that paving this short section now while crews, equipment and materials on site would save the county money by eliminating the need for repeated maintenance. 2 final points made were residents have been asking for paving improvements for 15 years and have been told some day or maybe 2027 but without commitment. Second the community appeared before Court expressing concerns about health impacts, dust, traffic volume of 40+ vehicles per day, property values, tax fairness and overall quality of life. Their community is asking firmly but respectfully for action.

Pct 3 Commissioner Michael Raska: Reminding the County there is a clean up next weekend to take trash to dumpsites. County Judge Joe Fauth asked if there is a listing of what the dumpsites cannot accept. Asked Dione Bumpous to make sure that is listed on the website.

Pct 4 Commissioner Phillip Cox: Asking the County Engineer Jon Steiber if he will be addressing the tire removal? If not to make sure the county is aware of a significant amount of tires that were dumped on one of the county roads in Commissioner Cox precinct. Jon Steiber along with his road crew, along with the Sheriffs Dept and the inmate trustee program did an outstanding job of removing the tires. At last count there was 30,000 lbs of tires. Those are the things that impact budgets that prevent other projects from being completed. There are other instances throughout the county and the Road Dept does what they can to prevent EPA ramifications and fines that can be levied against the county. If anyone is aware of any illegal dumping, please notify the Sheriffs Dept, Constable's office or Commissioners. The County Judge stated that we thought there was a resource to take the tires but they were too badly decomposed to be reused.

County Judge Joe Fauth III: Thank the voters that did show up to vote. Approx 25% turnout. 5000 people between early voting and election day. Please exercise your civic duty and come out to select those that serve you. This Friday evening March 6th Plantersville Town Hall is hosting a Fish Fry dinner at St. Mary's Catholic Church on FM 1774. Also includes a fund raising auction. The cost of the meal is \$20.00 resale or \$22.00 at the door.

Consent Agenda Items

Motion by Phillip Cox to Approve Consent Agenda Items 1 - 5. Seconded by David Tullos.

In Favor: 5

Opposed: 0

Motion Passed

1. Accept donations and/or gifts to the County pursuant to Texas Local Government Code 81.032.
2. Approve Monthly Report submitted by the County Treasurer for January 2026 and authorize advertisement of affidavit of same, in accordance with Local Government Code 114.026.
3. Consider and take action to approve the Treasurer's List of Claims and Bills.
4. Consider and take action to approve payroll.
5. Consider and take action to approve Budget Amendments and/or Line-Item Transfers.

Presentation of Employee Service Awards:

6. Consider and recognize the following employees for their years of service:

5 YEARS

Glen Fenton
Tom Maynard
Gregory Patton

10 YEARS

Blane Hechler
Steven Lowery

County Engineer Jon Steiber: Present to Glen Fenton 5 years service award

County Judge Joe Fauth III: Present to Tom Maynard 5 years service award

Presentation of Monthly Departmental Reports:

7. Human Resources, IT, Elections

HR Director Talitta Coleman: Vacancies in the County. Sheriffs Office 1 Dispatcher, 3 Patrol, Road and Bridge 1 Operator and 3 Light Equipment Operators, 1 Deputy Clerk County Clerks Office and 1 Asst Auditor Auditors office. Processed 8 new hires, 1 employee retired, completed 120+ status changes for Elections. Audit report to Auditors for Workers Compensation were able to receive a refund check in the amount of \$1014.00. Processed 1316 pieces of mail, cost to County was \$1341.62. Incoming calls to the switchboard 910, direct lines to HR 97 calls, TAC will be here w/o 3/9/26 to do a Stress Management Training class for all employees in Commissioners Court. 9:00, 10:30 and 1:00. All 4 fraudulent claims for unemployment have been denied. 1 new claim received but was denied based on documentation provided. Unemployment case since last May appeals have been won and awarded in favor of the County. Currently 3 more open claims and 1 has moved into appeals hearings. Ashley and Talitta attended the Healthy County Bootcamp conference. Covers many topics including updates on benefits on health and wellness program. Later this month HR will be attending the Risk Management conference.

IT Director Greg Cannon: All networks are working good throughout the county. 12 minutes total down time. Email encryption testing on 5 users before county wide in October 2026. Greg spoke to all employees listening that if a prompt for a password in your email, it is your normal login to your computer. Major rollout at the end of March, entire Sheriffs Dept IP address is being changed. Need to get back to a more private IP scheme. The hope is that their system will be down for no more than 4 hours. The plan is for Greg and Andrew to attend TAG IT Conference the end of April. No active security threats. County Judge requested that part of Greg's monthly report include the number of employees required to take the Cyber Security training from TAC so the Court is aware how many need to complete it. Greg wanted to address Samsara which is the system that was originally purchased for the Sheriffs Dept for officer safety. This determined where the officer is if there is an accident or they lost contact with the officer. It has been determined that it can connect to the patrol cars computer and can report all kinds of information about the vehicle, check engine light comes on, mileage on a vehicle and can track maintenance records. Process began back in Nov 2025 and have encountered some issues. Had to develop policies around the implementation of the Samsara devices. Report of how many units have been installed: 6 Road and Bridge with 18 to install. DA & Crime Victims 0 installed 7 remaining, Maintenance 6 installed 0 remaining, Adult Probation 1 installed 0 remaining, Juvenile Probation 2 installed 1 remaining to be installed in new vehicle, Sheriffs Office actively installing units approx 60 total units 34 installed, Constable Pct 1 2 installed 0 remaining, Constable Pct 2 0 installed 3 remaining, Constable Pct 3 & 4 0 installed with 2 remaining, Environmental 2 installed with 0 remaining. Some vehicles in question 1 being Lara Meece Senior Meals and 1 that the county does not own but uses. There is also reserve type vehicles that are not active all the time, kept as spare vehicles discuss if units need to be installed in those. Units are free but there is a \$20.00 per unit ea month. When vehicles are wrecked, sold or traded in to make sure the unit is taken out of the vehicle. Communication between IT and the dept getting rid of the vehicle. The Judge suggests a list of auction be distributed to make sure the units are removed. Commissioner Tullos asked who would be installing the units on the DA's office and the Constables? Greg stated IT was going to install but at the request of the DA's office they asked not to install until they could come before Commissioners Court and receive a ruling as to if those units will be installed. Same with the Constables.

Elections Administrator Rachel Walker: Current Voter Registration 21,562, DPS Applications 350, Mail in Applications 21, TX Online Applications, Walk in Applications 16, Applications Ballot by Mail Rcvd. 250, Application Ballots by Mail Mailed 26, Notice of Address Confirmation 1, Notice of Incomplete 13, Notice of Cancellation 1, Total Certified VDR's 23. February is all about getting prepared for the Primary Election. Finalized the testing, staff training, making sure that shift schedules were full, all supplies and machines are ready to go. Judge Fauth stated that 3 individuals commented on how well the training went. Ms. Walker stated that she would like to have an even more in-depth training this summer, possibly a mock election to train staff on problems and how to solve them. 5,620 people participated in this election, 2,798 in Early Voting, 2,265 on Election Day. 158 of those were mail in ballots. Equals to a 26% turnout. Commissioner Tullos asked about the Runoff Election in May how many days is Early Voting. Ms Walker stated 5 days Mon - Friday. Mr Tullos asked if Early Voting could be extended to other precincts in the county other than Anderson and Navasota? Could it expand to the southern part of Pct 2? He has received numerous comments about the challenge of only having early voting in 2 areas. Trying to compress a large amount of people into a 12 hour window on election day where closer to Anderson and Navasota they have 10 days to early vote. Ms Walker stated that the Election Code has a population cap on what Grimes is required. We are only required

to have 1 location open based on our population. That doesn't mean that the Court couldn't designate the funds for staff, machines and all needed for another polling location. Mr Tullos asked if the Court approved the extra location, would Ms Walker's office be able to handle it? She stated that she believes her office could but would like to take a more in-depth look before a confirmation. Ms Walker did state that they had a similar situation with City and School elections as they are allowed to make a special request for an additional polling location which she has to accommodate as our Election Dept is just running the election, what has been seen in the past is that when the County deviates from the normal early voting sites it causes severe confusion. Consistency alleviates the confusion of sites only being open certain elections. If the county gets to early vote at a new site and then it is not open again, Elections gets a lot of phone calls. Mr Tullos stated that some of the same concerns of lack of early voting areas in the north end of the County as well.

Presentation of Monthly Commissioners Court Liaison Reports:

8. County Judge: Maintenance, HR, IT, Emergency Management, Road Department, Veterans Services, Elections, Navasota Grimes County Chamber of Commerce;

Commissioner Pct. 2: Animal Shelter, Historical Commission, Navasota Grimes County Chamber of Commerce, Bluebonnet Groundwater Conservation District Board;

Commissioner Pct. 3: 911 Addressing/Permits/Environmental/Solid Waste, BVCOG Solid Waste Advisory Committee;

Commissioner Pct. 4: Fairgrounds, Hospital Contracts, EMS Services, Health Resource Center, Fleet Maintenance Committee

County Judge Joe Fauth III: Will hear from Maintenance shortly, Heard from HR, IT. Emergency Management is active and engaged. Road and Bridge shortly, heard from Elections and Grimes County Chamber will be shortly

Pct 4 Commissioner Phillip Cox: GC Facilities Director will be up to update on Fairgrounds and Hospital Repairs. Commissioner read a text he received Friday, 12:53 pm from Billy Rice, as Court is aware the ambulance situation in Grimes County is under review. Text read Grimes level 0, at M14 responding. Commissioner Cox asked what M14 meant and the response was that is the College Station ambulance. This is happening more often that we are going level 0 and Mr Rice is eager to have a discussion about possibly adding another ambulance in addition to the ones we have now and the ones we will have to purchase. Health Resource Center is running great. Commissioner read a text from Ms. Meece stating that she will be in contact with IT to have the Samsara installed on her vehicle. Fleet Maintenance committee has not met but hope to in the near future.

Texas A&M AgriLife Extension Agents

9. Quarterly Interpretation.
Texas A&M AgriLife Extension: Matt Pfeifer Grimes County Extension Agent ANR & Livestock. Educational programs not including site visits, phone calls, soil tests facilitated. January hosted GC CEU Conference. 40 Grimes County Producers, Offered a total of 5 Continuing Education Units. South Central Texas Ag.CEU Conference in cooperation with Waller, Washington and Lee Counties.36 individuals, total of five Continuing Education Units offered. South Central Texas Landowner Program topics of bee production, the role of pollinators and tree management. O,D, Butler Forage Field Day will include forage pest scouting, herbicide coated fertilizer and a live cattle handling demonstration. 3 Continuing Education Units offered. Grimes County Master Gardener Association: New Intern Class. New class of 14 Interns. Requires 50 educational and 50 volunteer hours. Activities include participating in a tour of the Texas A&M Plant Diagnostic Lab, The Texas A&M Gardens and a rose bush trimming lesson at the Extension Office. GCMGA Programming and Service. GCMGA started their new program year in January and are currently planning to host a plant sale fundraiser March 27th and 28th.
4-H and Youth Development: High Point Elementary "Learn Go Eat Grow" Partnership. Focuses on teaching students gardening, healthy eating and exercise. \$900 grant from the Texas 4-H Foundation. Grimes County 4-H Food Show, Food Challenge and Fashion Show: Encourages safe cooking practices, nutrition knowledge

and public speaking. In total 25 youth participated and 5 adult volunteers were utilized. Major Livestock Shows: 4-H members have had success at the Fort Worth, San Angelo and San Antonio so far, with Houston and Austin still to go. So far a Lamb and a Goat have made the Premium Sale. Judges Favorite Breed Santa Gertrudis Grand Champion Heifer exhibited by Grimes County 4-H member Rhett Harrington and won a \$10,000 scholarship at the San Antonio Livestock Show.

Health and Wellness Programs: Educate on prevention strategies and self-care practices related to chronic disease management. Healthy Heart Services, Fitness Class, Diabetes Workshop and Healthy Living 101.

Food and Nutrition Workshops: Teach youth and adults the importance of consuming a balanced and varied diet. Teen Cuisine, Eat Smart Be Active, Eat Smart, Live Strong, Choose Healthy Food Fun Fitness, Nutrition 101 and Food Safety. Child Passenger Safety Technician: Provided car seat inspections while educating caregivers on proper child passenger safety, correct usage and injury prevention. Canning Workshop:

Educated participants on safe food preservation methods using research-based practices to ensure food safety, extend shelf life and reduce food waste.

Navasota Grimes County Chamber of Commerce Executive Director - Mariana Almanza-Cook (DT)

10. Presentation of Quarterly Update: October 2025 - December 2025.

Navasota Grimes County Chamber of Commerce Executive Director Mariana Almanza-Cook: Quarter 1: October - December 2025. Project HTCN additional meetings for future consideration of a possible large-scale power and industrial development in Precinct 4. First page is all meetings, community, partner and events that are note worthy. The Chamber being a small office it is a struggle sometimes but wants to participate. Attends but not their meetings. Second page 14 individual events that the Chamber itself has put on. Includes membership programming such as coffees and ribbon cuttings to help celebrate their new business. In addition are Signature Events. There were 2 in the last 3 months. Golf w/Grimes Tournament a very successful fund raiser for the Chamber. 2026 Grimes County Ag Breakfast Event held at St. Stanislaus Church in Anderson. This is an educational event free of charge. Thanks to 12 sponsors. Approx 125 attendees including 25 students that were with Ag programs such as 4-H and FFA from Iola, Anderson-Shiro and Navasota. The students helped serve for community service hours and to qualify for a possible scholarship. There were at least 3 speakers to present educational topics specific to our county. Over \$4000 was raised for scholarships. Future Projects: Consistently working on the website. March events: Ribbon cutting Taco Bell March 6, 2026 @ 10:30 am. Coffee with the Chamber hosted by Classic Rock Coffee March 11, 2026 @ 9:00 am. NGCC's 2026 Annual Banquet Grimes County Fair & Expo Center March 20, 2026 @ 6:00 pm.

Grimes County Justice of the Peace Precinct 2 - Lester Underwood (JF)

11. Discuss and take action to increase budget by \$6,000.00 for document scanning and preservation.

Grimes County Justice of the Peace Precinct 2 Lester Underwood: Commissioners have photos of boxes and totes that are being stored in his jury deliberation room. 86 boxes and 11 totes with warrants, citations, magistrations, and civil cases that need to be reviewed, scanned and shredded. All of these documents span over the last 25 - 30 years. They were stored in the old jail and since the property has sold JP Underwood is asking for money to handle this in the proper manner. County Judge Joe Fauth stated that when Judge Underwood came to him with his dilemma, the game plan was to hire a temporary person to scan. JP Underwood suggested \$12.00/hr and see how far the \$6,000 will go, hopefully into the next budget cycle. At that time, it can be assessed how much scanning is left to be done and budget to get the rest of the old documents cleaned up. This is more economical than asking for overtime hours for JP #2 clerks. Hourly Rate of \$12.00/hr, Total hours 464.46, Salary \$5,573.52, Fica 426.37428, Total Pay \$5,999.89. Can only work 29.5 hours per week for approx 15 weeks.

Motion by Joe Fauth to Approve to increase budget by not to exceed \$6000 from Contingency 424 for document scanning and preservation. Seconded by David Tullos.

Commissioner Tullos asked Ms Murphy if any of the dedicated funds from the County Clerks, District Clerk or the County Judges office available to use to pay for this? Ms Murphy stated County Clerks has been expended the portion that was allowed for other departments in previous years. Statutes may have changed as to what it can be used for.

Commissioner Cox stated this is an example of what was referenced earlier in the meeting where the expense

to the County for removal of 30,000 lbs of tires could have been used to fund projects such as this one. Ms Murphy inquired if the JP's office has the equipment needed for this project. Judge Underwood stated that he has a laptop and scanner. The software needed is approx \$200 that he has money in his budget for.

In Favor: 5
Opposed: 0
Motion Passed

Grimes County Facilities Director - Rodney Floyd (PC)

12. Discuss and take any necessary action on projects and repairs.
Grimes County Facilities Director Rodney Floyd: His Department has been getting ready for the Dog Show to be held at the Fairgrounds. One of their larger events. The remodel on the bathrooms has been completed. Replacing 2 air conditioners Sheriffs office and Go Texan building. Working on communication skid with Emergency Management, trying to get the electrical put in that skid to replace communication technology at the tower. Feedback on the sign at the Fairgrounds, the bid came back at \$87,450.00. New electrical, new post. Hopefully going forward in the future to take the money from IT and Maintenance returns. Have talked with 4 different companies, this one is the most reputable, stands behind their product as well as close enough that we could get the sign back up and running in a couple of days. They will also train staff for free to do small maintenance and will maintain the warranty. Judge Fauth asked if Mr Floyd has pursued the idea of advertising other than County events. Mr Floyd stated the policy is in place but was not put in the last RFQ. Currently with the old sign it is costing \$300/mo for electricity but the new sign will run approx \$40/mo and is actually a larger sign.
This will be put on the next Commissioners Court Agenda
13. Discuss and take action to approve the change order of \$48,526.51 for the Generator Project at the hospital.
Grimes County Facilities Director Rodney Floyd: Completed Generator Project at the Hospital. State inspectors came in and gave a thumbs up. Some issues were found with the ATS had to be taken care of as well as tying in a separate wing of the hospital. All energy comes thru one central location. There is a change order and contractually this will be the County's half. Suggestion is to take the money from 421 4494 which is the hospital line item. Needing Courts approval because it is under contract. The Hospital has agreed to the expense.
Motion by Joe Fauth to Approve the change order of \$48,526.51 for the Generator Project at the hospital.
Seconded by Phillip Cox.

In Favor: 5
Opposed: 0
Motion Passed

14. Discuss and take action to allow the maintenance department to apply for the Fiscal Year 2026 Agricultural Water Conservation Grant.
Grimes County Facilities Director Rodney Floyd: Water reclamation at the Fairgrounds. Capturing run-off water from the show barns, able to store it as well as pump it out for irrigation and our Volunteer Fire Department if they so need. Estimate project to be about \$580,000.00. With the grant there is going to be some additional funds for administering. Going to apply again with 0 match. Judge Fauth asked what is the anticipated gallons of water. Mr Floyd stated around 62,000 gallons.
Motion by David Tullos to Approve to allow maintenance department to apply for the Fiscal Year 2026 Agricultural Water Conservation Grant. Seconded by Phillip Cox.

In Favor: 5
Opposed: 0
Motion Passed

15. Discuss and take action to adopt Resolution 20260318 to allow the Maintenance department to apply for the Fiscal Year 2026 Agricultural Water Conservation Grant and designate Authorized Representatives.

Grimes County Facilities Director Rodney Floyd: The Resolution that has to be voted on and signed by the Court for the previously approved grant.

Motion by Phillip Cox to Approve to adopt Resolution 20260318 to allow the Maintenance department to apply for the Fiscal Year 2026 Agricultural Water Conservation Grant and designate Rodney Floyd as Representative. Seconded by Chad Mallett.

In Favor: 5

Opposed: 0

Motion Passed

Grimes County Emergency Management Services Coordinator - Dione Bumpous (JF)

16. Discuss and take action to approve the Application for the State Homeland Security Program Projects FY 2026 - Constables' Office.

Grimes County Emergency Management Services Coordinator Dione Bumpous: The State Homeland Security Program Grant Projects that is offered every year. We apply for it and BVCOG does the grading of the system to see which projects thru the COG will be awarded. First one is for the Grimes County Constables office for 3 APX 6500 dash mount mobile radios and for their vehicles and 1 APX Portable radio. These are due to the encryption of the law enforcement channels. Commissioner Tullos asked that there be some misspelled words be corrected.

Motion by David Tullos to Approve the Application and Resolution for the State Homeland Security Program Projects FY 2026 Constables office. Seconded by Chad Mallett.

Commissioner Cox asked if these radios will be GPS integrated. Ms Bumpous answered yes.

County Auditor Jessi Murphy asked about the radios just purchased. Clarified those are hand held radios.

In Favor: 5

Opposed: 0

Motion Passed

17. Discuss and take action to approve the Application for the State Homeland Security Program Projects FY 2026 - Grimes County Emergency Management.

Grimes County Emergency Management Services Coordinator Dione Bumpous: This is for First Responder radios. They are operating on 18 yr old radios. Initially looked to replace 25 radios but that puts that line item at \$212,000.00. Historically looking at grants that had been approved and only about \$400,000.00 given to the COG itself as a total, on the recommendation of the COG to lessen the amount so looking at a proposed budget of \$60,000 which will equal to about 7 APX portable radios and accessories. Radios that do the LTE and GPS functions.

Motion by David Tullos to Approve the Application for the State Homeland Security Program Projects FY 2026 Grimes County Emergency Management. Seconded by Chad Mallett.

In Favor: 5

Opposed: 0

Motion Passed

Grimes County Engineer - Jon Steiber (JF/DT/CM)

18. Discuss and take action to approve a contract amendment with Jackson Heavy Equipment Training for motorgrader training for Road Department personnel.

Grimes County Engineer Jon Steiber: This is for a week of motor grading training. Bryan Jackson gave excellent training before and want to have him back. Funds are approved under FY 26 budget. After discussion with the County Attorney was to do a contract amendment with last years contract. Judge Fauth asked if there is money in his budget. Mr Steiber answered yes.

Motion by Joe Fauth to Approve a contract amendment with Jackson Heavy Equipment Training for motor grader training for Road Department personnel. Seconded by Michael Raska.

Auditor Jessi Murphy asked that the address be changed on the new contract. It is still showing the Hwy 90 address. Judge Fauth asked Mr Steiber to take care of changing that.

In Favor: 5
Opposed: 0
Motion Passed

19. Discuss and take action to approve a sole source procurement from vendor Substrata for Perma-Zyme subgrade stabilizer.
Grimes County Engineer Jon Steiber: Trying to significantly reduce the cost of paving projects is to use the existing material and soil. Perma-Zyme has similar properties to lime when you look at the stabilization of clay for a fraction of the cost. It has been tested a couple of times and had great results. Discussion has been ongoing with the manufacturer and recommend approval for procurement as they are the only provider. Motion by Chad Mallett to Approve a sole source procurement from vendor Substrata for Perma-Zyme subgrade stabilizer. Seconded by Phillip Cox.
Judge Fauth asked if this is a powder or liquid. Mr Steiber answered liquid.

In Favor: 5
Opposed: 0
Motion Passed

20. Discuss and take action to approve or deny a request for variance from the developer of the West Magnolia Forest Water Plant in Precinct 2.
Grimes County Engineer Jon Steiber: A variance from the infrastructure regulations for minimum lot sizes and setback requirements which intended for residential and commercial properties. This is for a water plant for the community. The property was split 20 years ago by a Warranty Deed. Making sure and following the variance procedure whenever there is a change that is not specified in infrastructure regulations.
Commissioner Mallet asked if there is a potential site distance issue at the intersection? Building out to the right-of-way. Mr Steiber answered they are dedicating 60 ft from the center line on Clark Rd. Commissioner Mallet asked if it was ever built to full capacity could there potentially be an issue? Mr Steiber stated the ultimate cross section of 120 ft would have 10-15 ft of ditch so when you pull out you would be looking across a drainage ditch.
Motion by David Tullos to Approve a request for variance from the developer of the West Magnolia Forest Water Plant in Precinct 2. Seconded by Chad Mallett.

In Favor: 5
Opposed: 0
Motion Passed

21. Consider and take action to approve annual funding of heavy equipment.
Grimes County Engineer Jon Steiber: The 3 trucks hoping to purchase and finance. Mr Steiber had previously told the Court to make a slightly higher down payment to stay under the \$250,000 base financed amount for this year and the next 3 years. There are a few minor comments to the Auditor and County Attorney on some changes. Auditor Jessi Murphy stated that last Commissioners Court the processes were approved on contract agreements as far as obtaining signatures from the third party and all changes were made prior to Court approving contracts. On this particular lease agreement there are multiple items that need to be addressed. If Court wants to stay in compliance with what was previously approved confirmed Tuesday March 10th meeting this could be added to that meeting. Dates will need to be revised and the lease purchasing agreement talks about the location of the equipment. Invoicing needs to change from the Auditors office to whomever Mr Steiber designates. The Resolution on the next agenda item reads Board Members and should state Commissioners Court. Section 10 of the agreement, the last sentence needs to start with to the extent allowed by law. Realizing Mr Steiber has been before the Court multiple times regarding these pieces of equipment and are afraid of him losing the agreement. Mr Steiber will get the needed signatures and bring back to Court on March 10th. No Action taken at this time.
22. Consider and take action on a resolution regarding a contract for the purpose of financing heavy equipment.
Grimes County Engineer Jon Steiber: Auditor Jessi Murphy stated the Resolution needs changes made to the language. It should read Commissioner Court in place of Board Members. Section four needs to be removed. Judge Fauth recommended since this agenda item is tied to item #21, Item #22 will be added to the March

10th meeting. No Action taken at this time.

23. Discuss and take action to approve or deny a request for variance for the replat of Freedom Acres Lots 1 & 2 in Precinct 1.

Grimes County Engineer Jon Steiber: The residential development, Freedom Acres, was approved before the mobility plan was passed. 30ft of right-of-way was dedicated to us. Most of Lot 1 went through a condemnation process from the electric company. Want to add part of Lot 1 to Lot 2 without dedicating additional right-of-way.

Motion by Chad Mallett to Approve a request for variance for the replant of Freedom Acres Lots 1 & 2 in Precinct 1. Seconded by Michael Raska.

Grimes County Commissioner Precinct 4 - Phillip Cox

24. Discuss, review and take action regarding any matter pertaining to the county vehicle monitoring system. Pct 4 Commissioner Phillip Cox asked the Court to move this agenda item to the March 18th meeting.

Grimes County Judge - Joe Fauth III

25. Consider and take action regarding the Burn Ban and authorize the County Judge as signatory.
Grimes County Judge Joe Fauth III: Rain is in the forecast. Judge confirmed with Emergency Management Services Coordinator Dione Bumpous that No Action be taken at this time.

26. Receive any updates on the Strategic Plan.
Grimes County Judge Joe Fauth III: No Updates

Grimes County Human Resources Director - Talitta Coleman (JF)

27. Consider and take action renew the Grimes County ARTS program agreement for 2026.
HR Director Talitta Coleman: The annual contract for the ARTS program. The 1095C required to send out to employees per request. Used to be automatically sent out but some changes have been made. Only available per request by employee. No changes in the contract, no cost to the County as long as we meet all of the deadlines.
Motion by David Tullos to Approve to renew the Grimes County ARTS program agreement for 2026.
Seconded by Chad Mallett.

Commissioner Phillip Cox
205 Veteran's Memorial Drive
Navasota, TX 77868

RE: Funds request for New Generator for St. Joseph Health Grimes.

Dear Commissioner Cox,

I am writing to provide an update on the Grimes Hospital Generator Replacement Project, which has now been fully completed. This project was approved in November 2023 to replace the hospital's aging 275-kilowatt generator that had reached the end of its service life and no longer met the facility's emergency power requirements. The purpose of this upgrade was to eliminate rental generator expenses, reduce operational risk, and ensure reliable backup power for all critical hospital systems.

L & D Electric performed the work as a complete turn-key installation with ARUP providing electrical assistance throughout the project. The project included removal of the existing generator, installation of the new unit, crane and rigging services, electrical upgrades, permitting, system start-up, and staff training.

The total cost of the project was \$409,253.03, which includes all labor, materials, equipment, and the final change order. With this upgrade, Grimes Hospital now has a modern and dependable emergency power system that strengthens the facility's resilience and supports continuity of care.

We sincerely appreciate the County's partnership and the reimbursement support already provided for previous projects. Given the essential nature of this generator replacement and the significant investment required to ensure uninterrupted hospital operations, we respectfully ask the County to consider contributing toward the financial cost of this completed project. Your

Grimes Hospital
210 South Judson
Navasota, TX 77868

support would help offset the investment made to ensure the hospital can directly strengthen the hospital's ability to serve the community during emergencies and maintain reliable continuity of care.

A detailed invoice summary is provided with this letter for your review.

Thank you for your continued support of the hospital and its infrastructure needs. Please let me know if any additional information is required.

Sincerely,

A handwritten signature in black ink that reads "Jo Johnson".

Jo Johnson, Director of Rural Operations

Invoice Detail Summary

Generator Replacement Project – Cost Breakdown

ARUP Electrical – Total: \$12,600.00

- Invoice 26240076 – \$8,505.00

CATHOLIC

On receipt by the signer of this document of a check from HEALTH INITIATIVES (maker of check) in the sum of \$ 50,000.00 payable to LTD ELECTRIC, INC. (payee or payees of check) and when the check has been properly endorsed and has been paid by the bank on which it is drawn, this document becomes effective to release any mechanic's lien right, any right arising from a payment bond that complies with a state or federal statute, any common law payment bond right, any claim for payment, and any rights under any similar ordinance, rule, or statute related to claim or payment rights for persons in the signer's position that the signer has on the property of CHI GRIMES (owner) located at 210 JUDSON ST (location) to the following extent: ELECTRICAL WORK (job description).

This release covers the final payment to the signer for all labor, services, equipment, or materials furnished to the property or to CHI GRIMES (person with whom signer contracted).

Before any recipient of this document relies on this document, the recipient should verify evidence of payment to the signer.

The signer warrants that the signer has already paid or will use the funds received from this final payment to promptly pay in full all of the signer's laborers, subcontractors, materialmen, and suppliers for all work, materials, equipment, or services provided for or to the above referenced project up to the date of this waiver and release.

PRESIDENT (Title)

RESOLUTION NO. 20260318

A RESOLUTION OF THE COMMISSIONERS COURT OF GRIMES COUNTY, TEXAS
AUTHORIZING THE SUBMISSION OF AN APPLICATION FOR THE
FISCAL YEAR 2026 AGRICULTURAL WATER CONSERVATION GRANT
AND DESIGNATING AUTHORIZED REPRESENTATIVES

STATE OF TEXAS §

COUNTY OF GRIMES §

WHEREAS, the Commissioners Court of Grimes County, Texas ("County") finds it in the best interest of the citizens of the County to apply for funding under the Fiscal Year 2026 Agricultural Water Conservation Grant Program to support water conservation improvements and related projects for Grimes County and the Grimes County Expo and Fairgrounds; and

WHEREAS, the Commissioners' Court finds that participation in said grant program will benefit the County and enhance water conservation efforts at County-owned facilities; and

WHEREAS, the grant program requires the governing body to designate authorized representatives to act on behalf of the County in matters related to the grant application and associated documentation.

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS COURT OF GRIMES COUNTY, TEXAS:

Section 1. Authorization to Apply.

The Commissioners Court hereby authorizes the submission of an application for the Fiscal Year 2026 Agricultural Water Conservation Grant.

Section 2. Designation of Authorized Representatives.

The Commissioners Court hereby designates Rodney Floyd as the County's authorized representative to prepare and submit the grant application, execute necessary documents, and serve as the official contact for matters related to the grant.

Section 3. Scope of Authority.

This authorization is limited to actions necessary for the application and administration of the Fiscal Year 2026 Agricultural Water Conservation Grant unless otherwise amended.

Section 4. Effective Date.

This Resolution shall take effect immediately upon its adoption.

PASSED AND APPROVED on this 4th day of March 2026.

GRIMES COUNTY COMMISSIONERS COURT

County Judge

Commissioner, Precinct 1

Commissioner, Precinct 2

**RESOLUTION 2026-
TO APPROVE THE APPLICATION
FOR THE STATE HOMELAND SECURITY PROGRAM PROJECTS FY 2026
GRIMES COUNTY CONSTABLES OFFICE**

WHEREAS, The Grimes County Commissioners' Court finds it in the best interest of the citizens of Grimes County that the Grimes County Constable Communication Project 2026 be operated for the 2026 fiscal year; and

WHEREAS, The Grimes County Commissioners' Court agrees that in the event of loss or misuse of the Office of the Governor funds, The Grimes County Commissioners' Court assures that the funds will be returned to the Office of the Governor in full.

WHEREAS, The Grimes County Commissioners' Court designates Office of the County Judge, as the grantee's authorized official. The authorized official is given the power to apply for, accept, reject, alter or terminate the grant on behalf of the applicant agency.

WHEREAS, The Grimes County Commissioners' Court designates Grimes County Auditor as the grantee's financial officer. The financial officer is given the power to submit financial and/or programmatic reports or alter a grant on behalf of the applicant agency.

NOW THEREFORE, BE IT RESOLVED that The Grimes County Commissioners' Court approves submission of the grant application for FY26 State Homeland Security Program project titled Grimes County Constables Communication Project 2026 to the Office of the Governor.
