Call to Order

THE STATE OF TEXAS ~ COUNTY OF GRIMES ~ BE IT REMEMBERED, that on March 10, 2026 at 09:00 AM there was a Commissioners Court Special Meeting Part One of Grimes County, Texas at the Grimes County Justice Center, 270 FM 149 W., Anderson, Texas with the following members present:

Present:

Joe Fauth, Michael Raska, Phillip Cox, Chad Mallett

Absent:

David Tullos

Grimes County Engineer - Jon Steiber (JF)

1. Discuss and take action to authorize the award of an administrative service provider contract for the Texas GLO 2024 Disasters Infrastructure Grant Program.
Grimes County Engineer Jon Steiber: Selection committee met last Thursday and selected Grant Works for the award of this
Motion by Chad Mallett to Approve the award of an administrative service provider contract to Grant Works for the Texas GLO 2024 Disasters Infrastructure Grant Program and authorize the County Judge as signatory on the Resolution. Seconded by Phillip Cox.

In Favor: 4

Opposed: 0

Motion Passed Grant Administration Contract.

2. Discussion and possible action on programs to abate illegal dumping, public nuisances, public health nuisances, and other environmental violations in Grimes County.
Grimes County Engineer Jon Steiber: This was asked to be on a future agenda item to discuss and take possible action. Judge Joe Fauth stated he attended a Crime Stoppers meeting and their awards committee has authorized to pay \$1000 tip for illegal dumping. This is an increase from the maximum \$500 per tip. Since the Road Dept took over Environmental at least 10 fires on property burning trash, 5 locations of tires being dumped. Judge Fauth asked Mr. Steiber about the fires on property if it is the property owner's trash or is it trash being dumped as bringing trash from elsewhere is a violation of the law. Mr Steiber stated it is both scenarios. All of this is considered a nuisance. There are also Public Health Nuisance where some things are

so bad it is an environmental disaster. Under current abatement, all that can really be done is investigate the problem and send a letter, but what are the next steps that can be taken? Most letters are lost in the mail. This creates a problem because the 30-day timeline cannot start until the person receives the letter. Mr Steiber stated his department would require close to \$100,000/ month to be able to clean up public nuisances. Illegal dumping is normally turned over to Mr Steibers department, meeting with the County Attorney and the District Attorney as to who would prosecute the case, how is the citation issued and who will issue it? Possible action today would be to fund abatement, but come back to Court before any of the money is to be used. Trying to give the inspectors the "teeth" to approach violators that if they do not clean up the nuisance the County will and charge them. The legal matter of entering a property. The DA is looking into an administrative warrant if there is environmental issues. Judge Fauth stated to also involve the Game Warden because they can enter property at any time. Went out for bids on trash clean-ups on County easements. Quote for 5 miles on County Rd 403 was \$8200. Judge Fauth asked Mr Steiber what is his current recommendation at this time? Mr Steiber stated again about an abatement fund and Judge Fauth stated that would certainly be a discussion for the next budget year. There will be more training for the deputies to learn how to handle those situations. Possible lien on someones property if the County cleans up the dumping and does not get reimbursed. The Court may also consider, at budget time, increasing contribution to Crime Stoppers. For a public health nuisance, to have a licensed physician as a public health authority to declare it a health hazard, the County can give the property owner 2 days to clean up the problem or the County will and charge them for the clean-up. Dr Blalock is interested in helping with this matter. Judge Fauth asked County Attorney Megan Barcak if there needs to be a policy in place. Ms Barcak stated it is important that Mr Steiber continue to seek the advice of the DA and the process from the Sheriffs Dept. Until all of that is ironed out as to how the Sheriffs Dept will handle these cases and write citations, a fully comprehensive policy cannot be written at this time. Commissioner Chad Mallett asked if instead of mailing the citations, could they be served to save on time? There is a process in the Health and Safety code that a notice can be posted in the newspaper after 15 days if no response has been received. County Judge mentioned he will discuss at a round table meeting on Friday with judges from surrounding counties. Tracking the complaints from start to finish is most important. There is a PDF online complaint form.

Clean up event Saturday March 14th from 7:00 am - 3:00 pm Tire Trailer will be at the Bedias and Stoneham locations. Open top trailer will be at all locations.

3. Consider and take action to approve annual funding of heavy equipment.
Grimes County Engineer Jon Steiber:County Attorney Megan Barcak stated she is good with the contract, but with a financial institution they will not sign until the signatures from the County are complete. She would like when the contract is approved, that the County Judge can sign anything necessary to make the contract effective, and the County Attorney to give a letter that basically there is no litigation or conflict with this current contract. Payments are \$244,673.00
Motion by Chad Mallett to Approve.annual funding of heavy equipment and authorize the County Attorney to issue a letter that there is no existing conflict or lawsuit with this contract.Seconded by Michael Raska.

In Favor: 4
Opposed: 0
Motion Passed

Clerk of the Commissioners Court
Grimes County, Texas

RESOLUTION

A RESOLUTION OF GRIMES COUNTY, TEXAS, AUTHORIZING THE AWARD OF AN ADMINISTRATIVE SERVICE PROVIDER CONTRACT FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM, WITH FUNDS ALLOCATED THROUGH THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT (HUD).

WHEREAS the Community Development Block Grant Program contract requires implementation by professionals experienced in completion of federally funded administrative services;

WHEREAS, in order to identify qualified and responsive providers for these services a Request for Proposals (RFP) process for administration/project delivery services has been completed in accordance with GLO requirements;

WHEREAS the proposals received by the due date have been reviewed to determine the most qualified and responsive providers for the professional service;

NOW, THEREFORE, BE IT RESOLVED:

Section 1. That Grant Walker be selected to provide GLO application and project-related grant administration services for the Community Development Block Grant Program project.

Section 2. That any and all contracts or commitments made with the above-named service provider are dependent on the successful negotiation of a contract with the service provider.

PASSED AND APPROVED ON MARCH 10TH, 2026.

APPROVED:

Joe Fauth III
Grimes County Judge

ATTEST:

Barbara Kimich
Grimes County Clerk
