Public Comments

We look forward to hearing from the citizens of Grimes County. If you wish to make public comments, you will need to submit a Public Participation Form prior to the start of the meeting and give it to the County Clerk. Public comments will be limited to 2 minutes per person.

Public Speakers: Taylor Jean Perry - Grimes County Democratic Party. Speaking on behalf of protecting groundwater and ensuring responsible Data Center development in Grimes County.

Roberto de Freitas - Focusing Families. His task with the agency is to work with men in abusive relationships. Weekly sessions that are court-ordered, also referrals from probation.

Jodi Pistler - Grimes County Citizens for Responsible Development. Providing another option with Kendall County Fire Code/IFC 233/NFPA 855 Strategy. Tools that are available to protect our community. By using existing county fire code authority from Texas Local Government Code Section 233.061 says the county adjacent to a county with a population over 250,000 may adopt a fire code. Section 233.062 applies in unincorporated areas to commercial establishments, public buildings, and multifamily dwellings. Steps Grimes County could go about using a similar approach as Kendall County: 1. Confirm legal authority. 2. Determine current fire-code status. 3. Review Kendall County's documents. 4. Identify Grimes-specific vulnerabilities. 5. Amend or adopt county fire code language. 6. Create Grimes-specific ESS guidance. 7. Require permit/inspection/compliance process and 8. Tie it to public safety

not politics.

Marie Egyed - Grimes County Citizens for Responsible Development. One month since it was learned about the Data Center is looking at property on FM 1696. Approximately 300 citizens attended the Iola meeting and almost 100 more attended the meeting in Plantersville. Another example from Fayette County of how other counties have found ways to pause, slow or make the build-out harder. Want to know what Grimes County is doing. Asking Court to organize and host a public information meeting, with live stream, so people of Grimes County can hear directly from the Court what is happening to our community, and what is the plan to protect it.

Precinct 2 Commissioner David Tullos: Some calendar events. Anderson Volunteer Fire Dept's annual steak dinner and fund raiser is Saturday, April 18th. Dinner starts @ 5:30 and live auction @ 7:00 pm. It will be held at St. Stanislaus Parish Hall in Anderson. Cost is \$20.00. 8. Consider and take action to proclaim April 2026 as Sexual Assault Awareness and Prevention Month. Focusing Families Hilda Martinez: Texas has some of the highest reported sexual assault cases in the US. According to DPS 15,097 cases reported. An estimated 6.3 million Texans have experienced some form of sexual assault in their lifetime. 2 out of 5 women, 1 out of 5 men have been sexually assaulted. 1 out of 10 survivors report the crime to law enforcement. 70 -80% assaults are committed by a perpetrator known to the victim. 40% victims are under the age of 18. Only about 1 out of 5 sex crimes result in a conviction. Five ways to help prevent sexual violence in our community.... 1. Educate ourselves. Learn more about the dynamics of sexual violence and that it can happen to anyone. 2. Talk about it. Almost everyone knows someone that has been impacted by sexual violence. 3. Practice consent. Consent is an active agreement that can be changed at any time. 4. Be an active bystander. Intervene when you see or hear behavior or comments that support sexual violence. Speak up and offer support. 5. Support the efforts to prevent sexual violence. Donate, volunteer, participate or join in the movement by learning about legislation that supports survivors and letting representatives know that you support the cause.
- April 29th is Denim Day. A worldwide protest against victim blaming surrounding sexual violence. 1999 rape case was overturned because the victim wore tight jeans.

Certification of groundwater availability for 30 years. Signed by an engineer or a geo-scientist. Motion by Chad Mallett to Approve and Authorize to advertise the following contracts for bids or renew eligible annual contracts: Asphalt & Emulsions and Contract Mowing. Seconded by Michael Raska.
Judge Fauth commented on the contract mowing, if it was flat surface and ditch mowing on the right-of-ways. Also, tree limb canopies. Does the County have the equipment to handle most of this mowing? Mr. Steiber stated that the County does handle some of the mowing and do not have enough equipment to handle all the vegetation.
