Grimes County Attorney - Megan Barcak

1. Discuss and appoint a committee in accordance with the Executive Summary of Guidelines and Criteria for Tax Abatements Pursuant to Texas Tax Code Chapter 312 and for Grants Pursuant to Texas Local Government Code Chapter 381. It is expected that the court will conduct a closed session as authorized by Texas Government Code § 551.0745 to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a member of an advisory body. (Personnel Matters).
Grimes County Attorney Megan Barcak: County Judge Joe Fauth stated that what was set up in the committee, one of the things was that each Commissioner would have the opportunity to appoint a liaison representative to represent their area. The Judge states that the appointments should not be static. The reason being, as projects change, the person selected for their input may not have knowledge, background or information on the project at hand. The Judge would like to have flexibility that when Citizen A is appointed for this one, the next project there is the option to pick Citizen B. Ms Barcak stated the guidelines do allow

that once a committee is appointed, the Commissioners Court is able to make a change. It will need to be put back on the agenda to request their person be changed. The point of the static committee was that when things start moving, there would be a group in place to start having a conversation. Whereas that did not exist before. There is language in there that anyone that wants to bring up a change on the committee has to go back before Commissioners Court.

Judge Fauth stated there will be no action taken on appointing a Grimes County business person to the committee. The Judge has nominated Majad Noori, but his appointment can be brought up on a later agenda and if there are any other nominees to submit, the decision can be made at that time. Judge Fauth asked if they were all in agreement on the County Employee being a flexible person, whoever is best suited. Pct 1 Commissioner Chad Mallett asked what is required to establish the committee. Do all positions have to be named? Ms Barcak stated she would have to read specifically if that is what the Court wants to do. Mr Mallett states that the Auditor would be recommended for all potential abatement requests. The County Engineer or Facilities Director or both could be brought in on any of them as far as the committee goes. Ms Barcak stated yes, as long as it doesn't run a fowl with an open meetings act such as another Commissioner. If they want to pull in someone with subject matter or a specific expertise. Commissioner Mallett stated a committee should be established now and would include a business owner. The Court would go with Judge Fauth's recommendation, for now.

2nd Motion by Judge Joe Fauth to add permanent fixtures to the committee of Majad Noori and also County Auditor Jessi Murphy. Seconded by Chad Mallett.

Before the vote, Commissioner Tullos stated he would still want to have a brief conversation with Mr. Noori.
