Chad Mallett
Commissioner, Precinct #1

David Tullos
Commissioner, Precinct #2

Michael Raska
Commissioner, Precinct #3

Phillip Cox
Commissioner, Precinct #4

Joe Fauth III
Grimes County Judge
270 FM 149 W.
Anderson, Texas 77830

The Minutes of the Regular Meeting are as follows:

Call to Order

THE STATE OF TEXAS ~ COUNTY OF GRIMES ~ BE IT REMEMBERED, that on June 17, 2026 at 9:00 AM there was a Commissioners Court Regular Meeting Part One of Grimes County, Texas at the Grimes County Justice Center, 270 FM 149 W., Anderson, Texas with the following members present:

Present: Joe Fauth, David Tullos, Michael Raska, Phillip Cox, Chad Mallett

Absent:

Invocation

Invocation led by Charles Thompkins, Sr Pastor at the House of Blessings and Miracles in Navasota, Texas.

Pledge of Allegiance to the U.S. Flag

Pledge of Allegiance to the Texas Flag

Public Comments

We look forward to hearing from the citizens of Grimes County. If you wish to make public comments you will need to submit a Public Participation Form prior to the start of the meeting and give it to the County Clerk. Public comments will be limited to 2 minutes per person.

2 Public Speakers: Karen Shiver and Debra Morwood.

Consent Agenda Items

Motion by Chad Mallett to Approve Consent Agenda Items 1,2,3,4,5,6,7,8 and 9. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

1. Consider and approve the replat of Dartmouth Estates tracts 9 and 10 located in Precinct 1.
2. Consider and approve the replat of Country Town Estates Subdivision Lot 78 located in Precinct 1.

3. Consider and approve the replat of West Magnolia Forest, section 13, Lots 2 and 3 located in Precinct 4.
4. Consider and approve the replat for West Magnolia Forest, Section 16 lots 40 and 41 located in Precinct 2.
5. Receive Internal Audit Report of Justice of the Peace Pct. 3 - Monthly Bank Reconciliations and OMNI January 1, 2025 - December 31, 2025.
6. Receive Internal Audit Report of the Justice of the Peace Pct. 3 - Monthly Bank Reconciliations and OMNI January 2026 - March 2026.
7. Consider and take action to approve the Treasurer's List of Claims and Bills.
8. Consider and take action to approve payroll.
9. Consider and take action to approve Budget Amendments and/or Line-Item Transfers.

Presentation of Employee Service Awards.

10. Consider and recognize the following employees for their years of service:

5 YEARS

Richard Gore

10 YEARS

Rolando West

Recognition of Employees: Grimes County Engineer Jon Steiber presents a 5-Year Service Award to Richard Gore. Mr Steiber also presents a 10 year Service Award to Rolando West.

Presentation of Monthly Departmental Reports:

11. Human Resources, IT, Elections, Veterans Services, Emergency Management Services
 Human Resource Director Atina Adair: Current openings. SO (1) Dispatcher, (2) Jailers, Patrol Deputies (4). Road Department (1) Light Equipment and (1) Operator. Interviews are being conducted, utilizing the temp service approved by Commissioners Court.
 IT Director Gregg Cannon: The system is stable with 99.81 uptime, which is approximately 11 minutes' downtime out of 43,000. All desktops migrated to Windows 11. Cybersecurity blocked 30,000 emails. 90% patch compliant. All 6 core servers are operating @ 99%. Storage utilization is creeping up. Currently, at 70.5% capacity. When 75% is reached, it will slow down the F Drive. When 90% capacity is reached, everything shuts off. It is anticipated to hit capacity sometime in November/December. Judge Fauth asked if this was due to duplication of data. Mr Cannon stated it is mainly from body cam footage, and cameras, which is data that cannot be compressed. Camera system was up 99%. SanSara is completely rolled out and Azure backup has been canceled, which will save the county money. Mr Cannon stated that due to the number of Data Centers being built, it has created a shortage of chips, which has caused a significant rise in the cost of electronics. Drives that were costing \$300 are now \$1600. The rollout of multifactor authentication is still on schedule for Oct 1st. This will require that every time you sign in to your computer, a code will be sent to your phone before you can log in.
 Veteran Services Jay Lafferty: Month of May 8 phone conversations, 12 office visits and 3 emails. Started 3 new claims and a higher level review. This is where someone has been denied part or all of their original claim. This allows them to submit new evidence to support their claim. The banner was up during the County fair. Judge Fauth asked Mr Lafferty once a claim is started, how long does it normally take to hear the decision. Mr Lafferty stated it could be a few months to a few years.
 Emergency Management Services Coordinator Dione Bumpous: No calls out for Emergency Management Services. The majority of the rainfall missed Grimes County. Passed and Commissioned with the Texas Fire Commission for plant examiner, inspector and educator. Completed the course work for the investigator and will have to do state testing, which should be completed within 2 months. Ms Bumpous was voted in as the

Assistant Chair for HSAC (Homeland Security Advisory Council). LEPC will meet again in July. Ms Bumpous has reached out to all the industries in the county which have tier 2 reports, which are hazardous materials. Fifteen have confirmed to attend the meeting, which are new facilities that have not been a part of previous meetings. This is to bring more people with this specific expertise into the county.

Presentation of Monthly Commissioners Court Liaison Reports:

12. County Judge: Maintenance, HR, IT, Emergency Management, Road Department, Veterans Services, Elections, Navasota Grimes County Chamber of Commerce;

Commissioner Pct. 2: Animal Shelter, Historical Commission, Navasota Grimes County Chamber of Commerce, Bluebonnet Groundwater Conservation District Board;

Commissioner Pct. 3: 911 Addressing/Permits/Environmental/Solid Waste, BVCOG Solid Waste Advisory Committee;

Commissioner Pct. 4: Fairgrounds, Hospital Contracts, EMS Services, Health Resource Center
Grimes County Judge Joe Fauth: Report from elections have wrapped up the run-off election. The canvas was conducted as appropriate and the election is final as far as the county is concerned and documentation sent to the state. Navasota Grimes County Chamber of Commerce was at Navasota LP Gas celebrating its 80th birthday.

Precinct 2 Commissioner David Tullos: Nothing to report

Precinct 3 Commissioner Michael Raska: Nothing to report

Precinct 4 Commissioner Phillip Cox: Ambulance service is at level zero due to an increase in ambulance services. No eta on delivery of new ambulances.

Texas A&M AgriLife Extension Agents

13. Quarterly Interpretation.

Texas A&M AgriLife Extension Agent Matt Pfeifer: Some highlights to report. OD Butler Forage Field Day on May 15th. Demonstrations and learned prevention and treatment of the New World Screwworm. Also, heard speakers on current challenges with pasture mealybugs. Around June 1st, Mr Pfeifer received a text message about pasture mealybugs, and it has been confirmed some were found in Grimes County. There is no approved insecticide that can be used but the Extension office at the State level is working on getting EPA approval on some off-label chemicals that have shown some results. The Grimes County Fair should yield one million dollars after add-ons. Successful State 4-H Roundup with 6 Grimes County members competing. The partnership with Highpoint Elementary "Learn, Grow, Eat and Go", AgriLife and Master Gardeners promotes plants, gardening, healthy living and exercise. An agricultural education event called Ag Day was hosted by Grimes County Farm Bureau for 273 4th graders. The Master Gardeners wrapped up their internship class with 14 new interns.

Carla Haves: Health and Wellness programs to educate participants on prevention strategies for chronic disease management, such as healthy heart series, a fitness class, diabetes workshop and healthy living. Food and Nutrition workshops with nutrition-based learning experiences to make eating healthy enjoyable and educational. Learning safe food preservation methods in Canning workshops. Grimes County Senior Day at the Fair had 200 attendees and 21 vendors. Ms Haves has received certification in CPR and First Aid and a Texas Food Handlers certification. She is starting a youth summer cooking class in Bedias. If any kids are interested, contact Mayor Guinn to get registered. A free Mental Health conference at Prairie View from 9 to 4 with guest speakers. Back to school for Navasota is August 4th and August 5th in Plantersville with Commissioner Tullos.

Matt Pfeifer: Upcoming Ag Programs are Grimes/Madison Feral Hog Program planned for August 13th at the Grimes County Fairgrounds and Expo Center. Grimes County Agricultural Business Program for input from community partnersto help direct plans for an agricultural business educational program.

Grimes County Human Resources Director - Atina Adair (PC)

14. Review, consider and take action on 2026-2027 Renewal Notice and Benefit Confirmation provided by Texas Association of Counties (TAC) for County employee health, dental and vision benefits.
Grimes County Human Resources Director Atina Adair: Employee benefits consultant for Grimes County, Hailey Gajewski discussing options for renewal of health insurance. Ms Adairs recommendation is Plan 1300-NG
Motion by Joe Fauth to Approve to stay with the TAC insurance provider moving forward with Option Two (2) with increases along the way Plan 1300-NG, Rx-4A-NG. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

Grimes County Facilities Director - Rodney Floyd (JF/PC)

15. Discuss and take any necessary action on projects and repairs.
Grimes County Facilities Director Rodney Floyd: Fair issues, breaker problems in one of the barns and at the new camper spots there is a main breaker overloaded. A total attendance of approximately 5000 people, 220 exhibitors, the Premium Sale brought in \$762,396.36. Total sales with add-ons were \$1,202,241.90. Total scholarships given out \$18,000. All rodeo events went on as planned. Other events were cattle shows and a food pantry. Regular maintenance consists of 2 HVAC systems replacing one at the jail and one at the Go Texan Building.
16. Discuss and take action to auction surplus items.
Grimes County Facilities Director Rodney Floyd: With IT converting desktops over, there are 33 desktops, 14 Laptops and 2 Printers to auction.
Motion by Phillip Cox to Approve to auction surplus items. Seconded by Chad Mallett.

In Favor: 5

Opposed: 0

Motion Passed

17. Discuss and take any necessary action on the presentation of the Jail Building Committee's research and recommendations.
Grimes County Facilities Director Rodney Floyd: A building committee was established to investigate the possible expansion of the jail. The committee went on field trips to see other facilities that have been re-done. Also, to a manufacturing facility that builds pods. Construction and financial experts were consulted. All information was sent in a packet to the Court. The best will be a design build, the best construction will be brick and mortar, the best financing option will be CO's and believe the jail needs the expansion, but not sure how many additional beds. Precinct 1 Commissioner Chad Mallett asked if there was consideration of a step-by-step expansion to achieve the ultimate goal. Mr Floyd agreed with the design build process that could be achieved, but does not have a way to divide the steps without a team in place. A design team would need to be chosen and then there could be an actual construction plan. Also, reservations due to some of the concrete that was found while doing repairs there might not be an architect's signature because of lack of infrastructure in the current building. If an architect is not willing to sign off on the foundation, the dollar figure could increase by \$30 million. Until certifications are received, we cannot be sure of the cost. Commissioner Mallett stated that a construction method would need to be approved and the initial dollars in order for a company to go from there. Mr Floyd stated getting a team in place to inspect so we know what to post in the newspaper how large or small of a project this will be. A dollar range would need to be posted, so a company would know if they wanted to submit their qualifications on a project that has the potential to be a large project. Judge Fauth asked if a range of the number of beds for the new jail could be posted as well, to show the size of the project. Mr Floyd stated that he believes a special agenda should be set to discuss the jail and all other facilities in more depth. As far as the urgency of the jail project, the capacity of the jail is 111. Anything above that, the inmates have to be housed at another facility at the cost of \$100 per day. It is not in the budget to do so. Mr Floyd stated \$250,000 was put in this year's budget to repair the foundation on the administrative side of the jail. The committee decided it would be more beneficial to use this money to get the process

started to move forward with architecture and testing. A hold was put on that money for the repairs, but why go forward with these repairs when the architect will not put a certification on the jail as a whole? The money was not well spent. Commissioner Cox asked what the anticipated occupancy would be. Mr Floyd stated at least 32 months. Commissioner Cox asked how long would these numbers sustain our population? Mr Floyd stated the Jail Commission is where the 33 beds stemmed from, and their prediction is that would last 15 years. These numbers are pre-conversations of the industries moving into the county. Commissioner Cox asked Mr Floyd to have the Jail Commission re-run the numbers. Commissioner Mallett also asked if a foundation evaluation could be done prior to the Court making a decision on how to move forward. Judge Fauth asked if the process of the foundation evaluation and posting in the paper could be done simultaneously? Mr Floyd stated it would be better to have the evaluation done first so it could become part of the qualifications' packet for architects to decide if they would be willing to work with the remodel of the existing jail. County Auditor Jessi Murphy stated the structural analysis will have to do the RFQ's as Rodney mentioned. There is \$250,000 budgeted for the slab work, but there is also \$85,000 in the architect line in capital 149.

Motion by Chad Mallett to Approve to send out an RFQ for foundation and structural analysis of the jail.
Seconded by David Tullos.

In Favor: 5

Opposed: 0

Motion Passed

18. Discuss and take any necessary action pertaining to the damage which occurred at the Grimes County Historical Courthouse on May 12, 2026..

Grimes County Facilities Director Rodney Floyd: An 18-wheeler took out the steps on the ADA side of the Historical Courthouse. Concrete is up and the week of 6/29 to paint. Mr Floyd is asking Court do we pay for it out right or file on insurance. County Auditor Jessi Murphy stated anything that happens must be reported to TAC. Conflicting information is right now, it is sitting as a claim but has been told to Mr Floyd it is sitting as a report. Trying to get clarification as the exact status. Ms Murphy stated it would not make sense to claim it on insurance if our deductible is \$25,000 and the cost is going to be around \$25,000 and risk our premiums going up. Commissioner Cox stated that information from the agenda packet, this was a hit-and-run. Mr Floyd stated the county spends an average of \$6000 making repairs each year on dings and scrapes around the courthouse. Ms Murphy is asking the Court to give her guidance when clarification is received from TAC do they want to proceed as a claim or a report.

Motion by Joe Fauth to Approve to proceed to pay for this as a report and not as a claim and ask that the funds be taken out of fund balance as this was an unforeseen emergency. Seconded by Chad Mallett.

Ms Murphy made the court aware there is \$92,000 in the contingency fund.

In Favor: 5

Opposed: 0

Motion Passed

19. Discuss and take possible action regarding facility improvements and related costs under the agreement between Grimes County and CHI St. Joseph Health.

Grimes County Facilities Director Rodney Floyd: Mr Floyd attended a meeting with the maintenance team at CHI St Joesphs. They alerted Commissioner Cox and Mr Floyd approximately 3 months ago, concerning a chiller repair located on the 3rd floor, so there was crane work involved. The county has received the bill as their invoice. All the work was almost completed and was done correctly. Toured the facility observing the new flooring, and plans for next year. They submitted their budget numbers. Contractually, the county is obligated to half the invoice. The county expended their typical budgeted numbers on the generator replacement the county has been working on for four years. The county's part of the invoice is \$55,893.50 Ms Murphy stated there is enough in fund balance and non-departmental contingency. Commissioner Cox asked removing the money from which fund puts the county in a better position. Ms Murphy stated, from her perspective, it would be non-departmental contingency because when mid-year changes are made to the budget for unforeseen emergencies, it qualifies to come from the reserves.

Motion by Phillip Cox to Approve \$55,893.50 from the non-departmental contingency line item to reimburse our portion of the contractual obligation between CHI St Joseph Health Center and Grimes County.

Seconded by Michael Raska.

In Favor: 5

Opposed: 0

Motion Passed

Grimes County Engineer - Jon Steiber

20. Road Department Report.

Grimes County Engineer Jon Steiber: Base repair in 9 locations, pothole repair in 11 locations, tree removal and clean up in 34 locations, boom mowing, hauling base, ditch work and culvert installation. Received 96 permit applications in May. Based on OSSF we are still averaging one new home per day being built. 27 new addresses issued in May. All Clover Point of Sale systems have been installed at the solid waste collection sites. Environmental received 502 maintenance inspection reports, processed 133 maintenance tracking fee invoices. Working to bring properties with expired maintenance contracts into compliance. Attended 16th Annual Harris County Onsite Wastewater Seminar on May 14th. Under Grants, discussions have been made with 2 out of the 3 property owners on the County Road 409 bridge project. After offers are made and waiting for the 3rd property owner, a recommendation will be brought back before the Court. There are some significant funding challenges with some of these projects which will be discussed in the 27 budget hearings. Commissioner Tullos asked if there are any reasons for the delays in moving forward on the construction of the TawneyBerry aspect of the GLO MIT-MOD 409 project? Mr Steiber stated his thoughts were to see what both projects were going to cost, so if the county has to come up with additional funds, how to execute both projects if any of the work can be done in-house. Commissioner Tullos stated the project is to improve a school bus route. Commissioner Tullos also wanted to discuss from the May meeting, in the Road Dept. report, the approval of the reconfiguration of the Road Dept where a construction and maintenance superintendent were appointed. It was requested at that time who the individuals would be heading up these 2 configurations, but Commissioner Tullos is still not aware who these individuals are. Mr Steiber stated that Jay Law is the construction superintendent and Patrick Shimshack is the maintenance superintendent.

21. Discuss and take action to approve a sole-source procurement from vendor Base-Seal International, Inc. for Base-Seal Concentrate Liquid Soil Stabilizer.

Grimes County Engineer Jon Steiber: Base-Seal Concentrate Liquid Soil Stabilizer located in Grimes County and manufactured in Houston. Plans to use Base-Seal on a project this summer. The Road Dept is using many different products to see what will work the best for the money.

Motion by Phillip Cox to Approve a sole-source procurement from vendor Seal-Base International, Inc. for Base-Seal Concentrate Liquid Stabilizer. Seconded by Michael Raska.

In Favor: 5

Opposed: 0

Motion Passed

Grimes County Judge - Joe Fauth III

22. Consider and take action regarding the Burn Ban and authorize the County Judge as signatory. *(Not currently under a burn ban order.)*

Grimes County Judge Joe Fauth: Regarding the burn ban. There will not be any consideration of placing a burn ban on at this time.

No action taken.

Grimes County Emergency Management Services Coordinator - Dione Bumpous (JF)

23. Discuss and take action to adopt the International Fire Code 2024 with Addendum and Appendices B, C, D, F, H, I, J, K, L, N, and Q.

Grimes County Emergency Management Services Coordinator Dione Bumpous: Ms Bumpous stated she would like to take out of the code and replace with 105.1.2 Types of Permits. As doing the fee schedule and

talking to surrounding counties, this will pull some of the language out of the code, giving better clarification and not causing as much confusion as people are trying to figure out what permits they will have to get. This will replace the current 105.1.2 and also remove, if approved, with this verbiage it will remove 105.5 and 105.6 with those permits that are listed below them. Commissioner Tullos stated that the change removes Operational Permits. His example was the carnival that was at the Fairgrounds. Would they not have to have a permit? Ms Bumpous stated the Operational Permits will not be enforced. Commissioner Tullos asked how does it effect Fireworks stands. Ms Bumpous said they are on the fee schedule.

Before the vote Commissioner Tullos had a couple of questions. He asked Ms Bumpous as we move forward and see the need to establish permits, which will be permitted underneath the code, but do not have them at that time? How does she envision the process? Will there be periodic evaluations and then come to the Court and request to adopt additional permits? Ms Bumpous states that is exactly what will happen. Mr Tullos asked that the verbiage be proofed as there are some inconsistencies, just to make sure it is technically precise.

Motion by Phillip Cox to Approve to adopt the International Fire Code 2024 with addendum and appendices B,C,D,F,H,I,J,K,L,N,Q and the edit for 105.1.2 and allow the County Judge as signatory. Seconded by Chad Mallett.

In Favor: 5

Opposed: 0

Motion Passed

24. Discuss and take action to establish a fire marshal's office in accordance with Local Government Code 352.011.

Grimes County Emergency Management Services Coordinator Dione Bumpous: The creation of the office per the state code requires that Commissioners Court establish the Fire Marshal's office. Judge Fauth asked where Ms Bumpous stands on her certifications? According to the State Fire Marshal's office, the government code does not require any certifications. However, Ms Bumpous does have plant examiner, inspector, life and fire safety education. Completed the course in investigations and have to test out for that. One class left for the fire Marshal itself for the State Fire Commission. Before the vote, County Auditor Jessi Murphy wanted to make the Court aware of the financial impacts of creating this office. With the need to hire another person and possibly 2 people resulting in \$130,000 in addition to the budget. Ms Murphy asked Ms Bumpous if she would need to have the Court approve a mid-year position. She answered no she would be able to manage until the end of this budget year.

Motion by Chad Mallett to Approve to establish a Fire Marshal's office. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

25. Discuss and take action to establish the term of office for a county fire marshal in accordance with Local Government Code 352.011.

Grimes County Emergency Management Services Coordinator Dione Bumpous: Same Government Coded 352.011 Commissioners Court shall establish the term of County Fire Marshal not to exceed 2 years.

Motion by Chad Mallett to Approve to establish the term of office for a county fire marshal in accordance with Local Government Code 352.011 effective immediately through September 30, 2027. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

26. Discuss and take action to appoint a fire marshal and set the required bond amount. *It is expected that Commissioners Court will convene a closed or executive session pursuant to Texas Government Code Section 551.074 to deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee.*

Grimes County Emergency Management Services Coordinator Dione Bumpous: The employee being

discussed has not required executive session.

Motion by Joe Fauth to Approve to appoint Dione Bumpous as the fire marshal for Grimes County and set the bond amount consistent with the Commissioners at \$10,000. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

27. Consider and take action to change the name of Emergency Management Services to Office of Emergency Management and Fire Marshal.

Grimes County Emergency Management Services Coordinator Dione Bumpous: This is how most counties with a dual office restructure the name of the office.

Motion by Michael Raska to Approve to change the name of the Emergency Management Services to Office of Emergency Management and Fire Marshal. Seconded by Phillip Cox.

In Favor: 5

Opposed: 0

Motion Passed

28. Consider and take action to approve contract for FireInspection360 Software.

Grimes County Emergency Services Coordinator Dione Bumpous: Earlier in the year Ms Bumpous came before the Court with ESO software with issues on increase in payment, some regulations and the changing of the sales person quite frequently. FireInspection 360 not only allows our office to continue looking at where we are at in reviews and a public portal that allows the county to submit their plans, request permits and pay online. Can also see what developments are happening within the county. Base FireInspection 360 Software \$5200 per year with Module Add-On \$700 per year. This software is in IT's budget.

Motion by Phillip Cox to Approve contract for FireInspection 360 Software. Seconded by Michael Raska. Commissioner Cox made the motion based on the County Attorney's approval of the contract. The County Attorney stated she looked over the contract and the changes were agreed upon.

In Favor: 5

Opposed: 0

Motion Passed

29. Discuss and take action on proposed Fire Marshal Fee Schedule.

Grimes County Emergency Management Coordinator Dione Bumpous: Researching surrounding counties, the fees are in line with other counties. Ms Bumpous stated one change she would like to make would be the Fire Lane Review. This would fall under the Road Department with their permitting. Conversations with Mr Steiber, he believes it would be better to leave it in his department so as to get approvals for ground work as they are getting approvals for their fire life safety codes for their buildings through her office. Judge Fauth asked the County Auditor where would these funds when collected go, and would they be restricted? Ms Murphy stated she has not looked at the codes, but new revenue accounts would have to be set up. She also stated if they anticipate receiving these fees immediately, then new accounts would be created mid-year. and bring it before Court.

Motion by Joe Fauth to Approve the proposed Fire Marshal Fee Schedule. Seconded by Chad Mallett.
