Call to Order

THE STATE OF TEXAS ~ COUNTY OF GRIMES ~ BE IT REMEMBERED, that on July 15, 2026 at 9:00 AM there was a Commissioners Court Regular Meeting Part One of Grimes County, Texas at the Grimes County Justice Center, 270 FM 149 W., Anderson, Texas with the following members present:

Present:

Joe Fauth, David Tullos, Michael Raska, Phillip Cox, Chad Mallett

Absent:

Invocation

Invocation was led by County Judge Joe Fauth III.

Pledge of Allegiance to the U.S. Flag

Pledge of Allegiance to the Texas Flag

Public Comments

We look forward to hearing from the citizens of Grimes County. If you wish to make public comments you will need to submit a Public Participation Form prior to the start of the meeting and give it to the County Clerk. Public comments will be limited to 2 minutes per person.

Four (4) public speakers: Debra Morwood, Bobbie Jo Swafford, Karen Shiver, and Brett Henry.

Commissioner Mallett, Commissioner Tullos, Commissioner Raska and Commissioner Cox had no comments.

County Judge Joe Fauth III stated that Governor Abbott has placed Grimes County in an Emergency situation and as a result Judge Fauth has signed a Declaration of Disaster ordered the 15th day of July 2026.

Judge Fauth recognized Sinda Phelps from the Auditors Office regarding ARPA (American Rescue Plan of 2021) Ms Phelps monitored, policed and protected Grimes County award of \$5,609,601.00. The US Treasury provided final rules no less than 7 times. One of the rules was that the approved spending must be documented and the whole \$5.6 million must be spent by December 31st of 2026. Final submission has been submitted before the deadline.

Consent Agenda Items

Motion by Chad Mallett to Approve Consent Agenda Items 1,2,3,4,and 5. Seconded by Phillip Cox.

In Favor: 5
Opposed: 0
Motion Passed

1. Consider and approve the replat for Bluebonnet Hills lot 1 & 2 located in Precinct 1.
2. Review and Accept the internal audit of the Sheriff's Office Jail Administration.
3. Consider and take action to approve the Treasurer's List of Claims and Bills.
4. Consider and take action to approve payroll.
5. Consider and take action to approve Budget Amendments and/or Line-Item Transfers.

Presentation of Monthly Departmental Reports:

6. Veterans Services, Emergency Management Services
Grimes County Veterans Service Officer Jay Lafferty: The month of June was a little slow. 11 Office visits, 11 consultations by phone, 5 email jobs. 2 Claims were started. The banner is still out at the Fairgrounds, approximately 5500 views. The tattered county flags were taken to the VFW for proper disposal.

Presentation of Monthly Commissioners Court Liaison Reports:

7. County Judge: Maintenance, HR, IT, Emergency Management, Road Department, Veterans Services, Elections, Navasota Grimes County Chamber of Commerce;

Commissioner Pct. 2: Animal Shelter, Historical Commission, Navasota Grimes County Chamber of Commerce, Bluebonnet Groundwater Conservation District Board;

Commissioner Pct. 3: 911 Addressing/Permits/Environmental/Solid Waste, BVCOG Solid Waste Advisory Committee;

Commissioner Pct. 4: Fairgrounds, Hospital Contracts, EMS Services, Health Resource Center
Grimes County Judge Joe Fauth III: We heard from EMC/Fire Marshal previously. Nothing to report from HR except for providing information for budget.
Pct 2 Commissioner David Tullos: Nothing to report
Pct 3 Commissioner Michael Raska: Nothing to report
Pct 4 Commissioner Phillip Cox: Mr Floyd reports that the additional drainage that was designed out at the Fairgrounds performed as it was designed and looks good. The Gun Show event is scheduled for this coming weekend and many other private events. In regards to ambulances and EMS, the county is still strained in those areas. 2 ambulances are still in the process of being built, which takes months.

Grimes County IT Systems Administrator - Andrew Duncan (JF)

8. Discuss and take action on enrollment in TAC County Information Resources Agency (CIRA) free AI Training course that would meet the state requirements pursuant Texas Government Code 2054.519, and authorize the County Judge as signatory.
Grimes County IT Systems Administrator Andrew Duncan: This is the same company the county is already enrolled with for our cybersecurity course. This is a new required class. Unfortunately the due date for reporting has not been moved out so this will be a swift campaign to be completed. This is a no-charge class. Commissioner Cox asked if this course is in lieu of or in addition to the cybersecurity class. Mr Duncan stated it is in addition to.
Motion by Chad Mallett to Approve enrollment in TAC County Information Resources Agency (CIRA) free AI training course that would meet the state requirements pursuant Texas Government Code 2054.519, and authorize the County Judge as signatory. Seconded by Phillip Cox.

Grimes County EMC/Fire Marshal - Dione Bumpous (JF)

9. Consider and take action to add radios to Brazos Valley Wide Area Communication System (BVWACS).
Grimes County EMC/Fire Marshal Dione Bumpous: Richards Volunteer Fire Dept has purchased 2 new radios. They are asking that these be added to the BVWACS system. The Fire Dept will let her know at a later date which 2 radios they will be removing. Radios added: APEX NEXT 437CCM5688 AND APEX NEXT 437CCM5689
Motion by Joe Fauth to Approve the two (2) radios to be added to BVWACS for the Richards Volunteer Fire Department. Seconded by Chad Mallett.

In Favor: 5
Opposed: 0
Motion Passed

10. Consider/discuss authorization to issue a request for proposals (RFP) for Fire Plan Review and inspection and authorize the County Attorney and County Auditor to approve the RFP forms.
Grimes County EMC/Fire Marshal Dione Bumpous: This RFP allows to go out for vendors for fire claim examinations and fire building inspections on an as need be basis. This depends on the size of the project, and what is happening in Ms. Bumpous office, this would provide a vendor list that would be on rotation basis and also give the availability as if the project is major, that there will be a company more suited to fit that venture that we can utilize them for that project. Judge Fauth asked if this will be something needed beyond the surrounding counties that have helped in the past. Ms Bumpous stated yes.
Motion by Phillip Cox to Approve authorization to issue a request for proposals (RFP) for Fire Plan Review and inspection and authorize the County Attorney and County Auditor to approve the RFP forms. Seconded by Michael Raska.

Grimes County Engineer - Jon Steiber (MR/CM)

11. Road Department Report.
Grimes County Engineer Jon Steiber: Road Department report. All of the work being done, base repair, pothole patching, tree removal/clean up, boom mowing, shredding/mowing, road projects, drainage ditch work and various clean up. Development: 12 notices of residential construction and 32 OSSF. Solid waste: installed Clover POS systems and Wi-Fi/Hotspots at Anderson and Stoneham sited and collected \$8,744.00 in solid waste collection fees. Environmental: 476 maintenance inspection reports. Processed 120 maintenance tracking fee invoices, received 138 maintenance contracts. Received \$1,860.00 in septic review/inspection fees. With new organization being streamlined, amount of work being reported will grow due to better reporting and work done more efficiently because of reorganization of maintenance and construction crews. As far as the disaster with all of the rain, crews are out collecting data with the futurity mobile app set up by the EMC last year. Coordinates and pictures are being collected of all damage. Hours, fuel, equipment, personnel and labor are also being collected. Judge Fauth stated our level is approximately \$134,000. Mr Steiber believes with damage to roads it may end up totaling closer to \$250,000. There is a debris contractor and consultant if work becomes too much for the Road Department. Tire trailer is not set up at the site yet. Grants: The Pinebrook project CR409 / Tawneyberry E761 preparing bid documents. FY 24/26 FEMA FMA FY 24 grant application updated and resubmitted.

12. Discuss and take action to authorize the Road Department to advertise Solid Waste Disposal Services, Container Rental Services, and Solid Waste Hauling Services.

Grimes County Engineer Jon Steiber: There is a contract with BVR at the 5 solid waste disposal sites, both rental and hauling. The county rents the containers and compactors and BVR hauls them off and replaces them. It is a 5 year contract that ends before October 1, 2026 so it will need to be rebid now. Services are split, so you see more rental services and more hauling services. This can be bid as a combination of services or each individually.

Motion by Chad Mallett to Approve to authorize the Road Department to advertise Solid Waste Disposal Services, Container Rental Services, and Solid Waste Hauling Services. Seconded by Michael Raska.

13. Discuss and take action to amend the Texas GLO DRRP CR 102 bridge design contract with Huitt-Zollars, Precinct 1.

Grimes County Engineer Jon Steiber: This contract was approved in May with HUITT-ZOLLARS, INC. Some of the sub consultants that were selected had some issues with the contract, so there has to be a change of sub consultants and go through this process for surveys and geotechnical services. Between the two it will add an additional \$10,000 to the design fee. As discussed in May the County would cover the design fees with the grant funds available and the County match the design fee with money from the FY 27 budget, so there are funds to cover this budget year. Judge Fauth asked why the survey fees are \$8,500 when most surveys can be done for approximately \$3,500? Mr Steiber answered it is a very detailed survey for a bridge to get every 10 feet square. Surveyors spend much more time on a road project than on property. \$40,000 grant funded and \$55,000 county funded portion.

Motion by Michael Raska to Approve to amend the Texas GLO DRRP CR 102 bridge design contract with Huitt-Zollars, Precinct 1. Seconded by Chad Mallett.

14. Request authorization to negotiate a professional services contract with Odyssey Engineering Group, LLC for GIS Support Services to develop public-facing mapping resources and enhancement of internal GIS capabilities.

Grimes County Engineer Jon Steiber: With the growth of the county and the standard of services provided, we need a map on the website where the public can view their precinct, flood plain, are there any pipelines through their property and so on. Similar to what the Appraisal District offers to look at property online. Requesting to have Odyssey Engineering Group LLC provide a proposal for these services. It is something that could take a year of on-call services and whatever funds are available in Professional Services, would not be exceeded in the current year. This would give a public-facing map and an internal map for project planning purposes. If an agreement is reached with Odyssey Group, Mr Steiber will come back to court for approval. Motion by Phillip Cox to Approve authorization to negotiate a professional services contract with Odyssey Engineering Group LLC for GIS Support Services to develop public-facing mapping resources and enhancement of internal GIS capabilities. Seconded by Michael Raska.

15. Consider and take action regarding the Burn Ban and authorize the County Judge as signatory. (*Not currently under a burn ban order.*)

Grimes County Judge Joe Fauth III: Not currently under a burn ban.

No action taken.

16. Discuss and take action to approve the Interlocal Cooperation Contract between the Department of Public Safety (DPS) and Grimes County (the Local Government Entity Employer "LGEE").
Grimes County Judge Joe Fauth III: Sargeant Dominguez was not able to attend today's meeting, but as far as the contract goes, he said it is good as is and where we have a designated number the contract allows, after we go through the budget process, if there are changes in the employee rates the number change can be made in the agreement. County Attorney Megan Barcak stated the number is blank as of now, but asked will it be filled in after the budget. Judge Fauth stated yes that is the plan.

18. Consider and review the request from the Grimes County Republican Party regarding early voting locations.
Grimes County Judge Joe Fauth III: There was a letter sent to Commissioners Court from the Grimes County Republican Party Chairman, Alec Pointer. In summary what the letter states is that they understand the financial consideration associated with expanding early voting locations in Plantersville and Iola, based on the employee needs of the Elections Administrators office. It is their suggestion that they do not want to have additional early voting locations set up for the November election, although the Court previously approved adding 1 location north and 1 south. Commissioner Mallett felt that this was something that needed to be discussed during budget. The Elections Administrator Rachel Walker was asked to put together a collective number what the 2 additional locations would amount to based on what was submitted by the Iola Community Center and Plantersville Town Hall for use of the facilities. Ms Walker estimated around \$125,000 for personnel, space rental and equipment. The other issue Ms Walker provided in conjunction with the letter is that HB 2753 designates a change in the early election procedure, although will not take place with the November election, but will need to be reviewed in 2027. Commissioner David Tullos stated he has some questions for Mr Pointer and asked if this agenda item could be moved to the August 5th Commissioners Court meeting to afford him the opportunity to answer in person the questions Mr Tullos has about the letter. Judge Fauth stated Mr Pointer has a full time job so may not be able to attend the meeting, but Mr Tullos could contact Mr Pointer personally. Commissioner Tullos states that he believes so of the question should be a matter of public record. Mr Tullos continues that the letter is addressed to Judge Fauth and it appears the Judge was present at the Republican County Executive Committee meeting. Judge Fauth stated he was present for the meeting. Commissioner Tullos continues that at some point there was a vote by the Grimes County Republican Executive Committee who voted not to support this particular expansion at this time. It does not designate it's only for the November or primary it says they are not supporting expansion at this time. since this impacts Plantersville and Todd Mission, which is in Mr Tullos precinct, it would be important to know who was involved in the vote. Mr Tullos feels the constituents of Plantersville and Todd

Mission should know who in the Republican party chose not to support early voting for their area when there have an overwhelming number of requests for early voting in these 2 areas. Mr Tullos states he has personally witnessed long lines and people leaving the polling locations and not voting. He looks to see who is on the Republican Party Executive Committee to see who was involved in this vote and who was there that represents Plantersville and Todd Mission area. The precinct chair for Todd Mission is vacant so that area was not represented. The other individual who was in a position to represent that area is Sherry Fauth precinct chair for Plantersville. It is Mr Tullos understanding that Ms Fauth voted against expanding early voting in Plantersville for the constituents that she represents in that area. Mr Tullos will reach out to Mr Pointer as he believes as a matter of public record the people of Plantersville and Todd Mission need to know that the only precinct chair they elected to represent them on the Executive Committee voted against expanding early voting to them.

19. Discuss and take action to approve the resolution of the Grimes County Commissioners Court supporting responsible data center and associated technologies development while protecting natural resources, and the interests of Texas communities.
Grimes County Judge Joe Fauth III: The Judge stated he has been working on this Resolution for Grimes County based on the input received and actions occurring in the county with the TerraFab Project. Judge Fauth would like to table this at this time as more information comes in and is available. The Judge requested this agenda item be put on the August 5th docket.

Grimes County Attorney - Megan Barcak

20. Discuss and take any necessary action on proposed economic development negotiations. EXECUTIVE SESSION: *It is expected that the Commissioners Court will meet in a closed/executive session pursuant to Section 551.087 of the Texas Government Code to discuss commercial or financial information that the Commissioners Court has received from EVAPCO, Inc. that the Commissioners Court seeks to have locate, stay, or expand within the County in the Navasota Industrial Park and with which the Commissioners Court is conducting economic development negotiations, and to deliberate the offer of a financial or other incentive to the business prospect: proposed manufacturing facility for heat-transfer equipment and thermal-management systems for cooling, refrigeration, and industrial processing applications.*

Grimes County Attorney Megan Barcak:

It is expected that the Commissioners Court will meet in a closed/executive session pursuant to Section 551.087 of the Texas Government Code to discuss commercial or financial information that the Commissioners Court has received from EVAPCO, Inc. that the Commissioners Court seeks to have locate, stay, or expand within the County in the Navasota Industrial Park and with which the Commissioners Court is conducting economic development negotiations, and to deliberate the offer of a financial or other incentive to the business prospect: proposed manufacturing facility for heat-transfer equipment and thermal-management systems for cooling, refrigeration, and industrial processing applications.
